SEE A R C H I V E

we came in search of something . . .

**knowledge,
good times,
friendship**

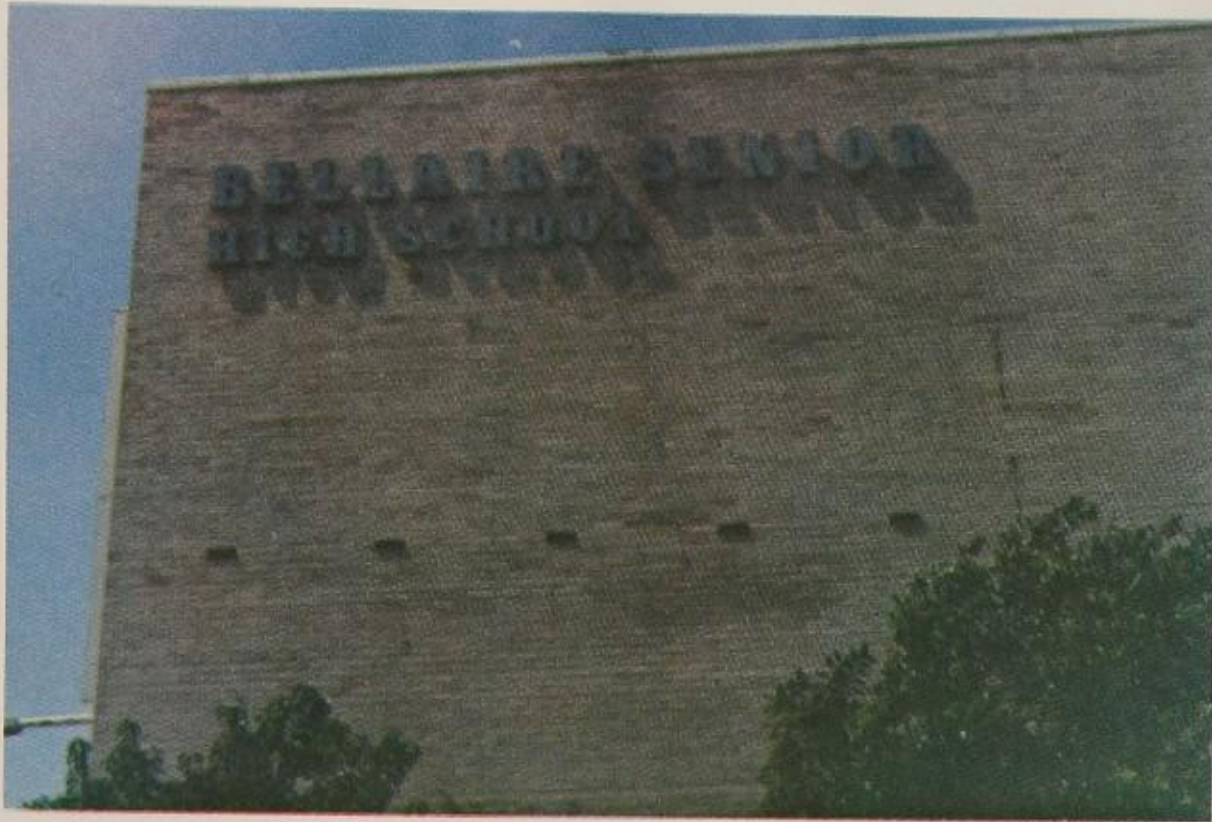

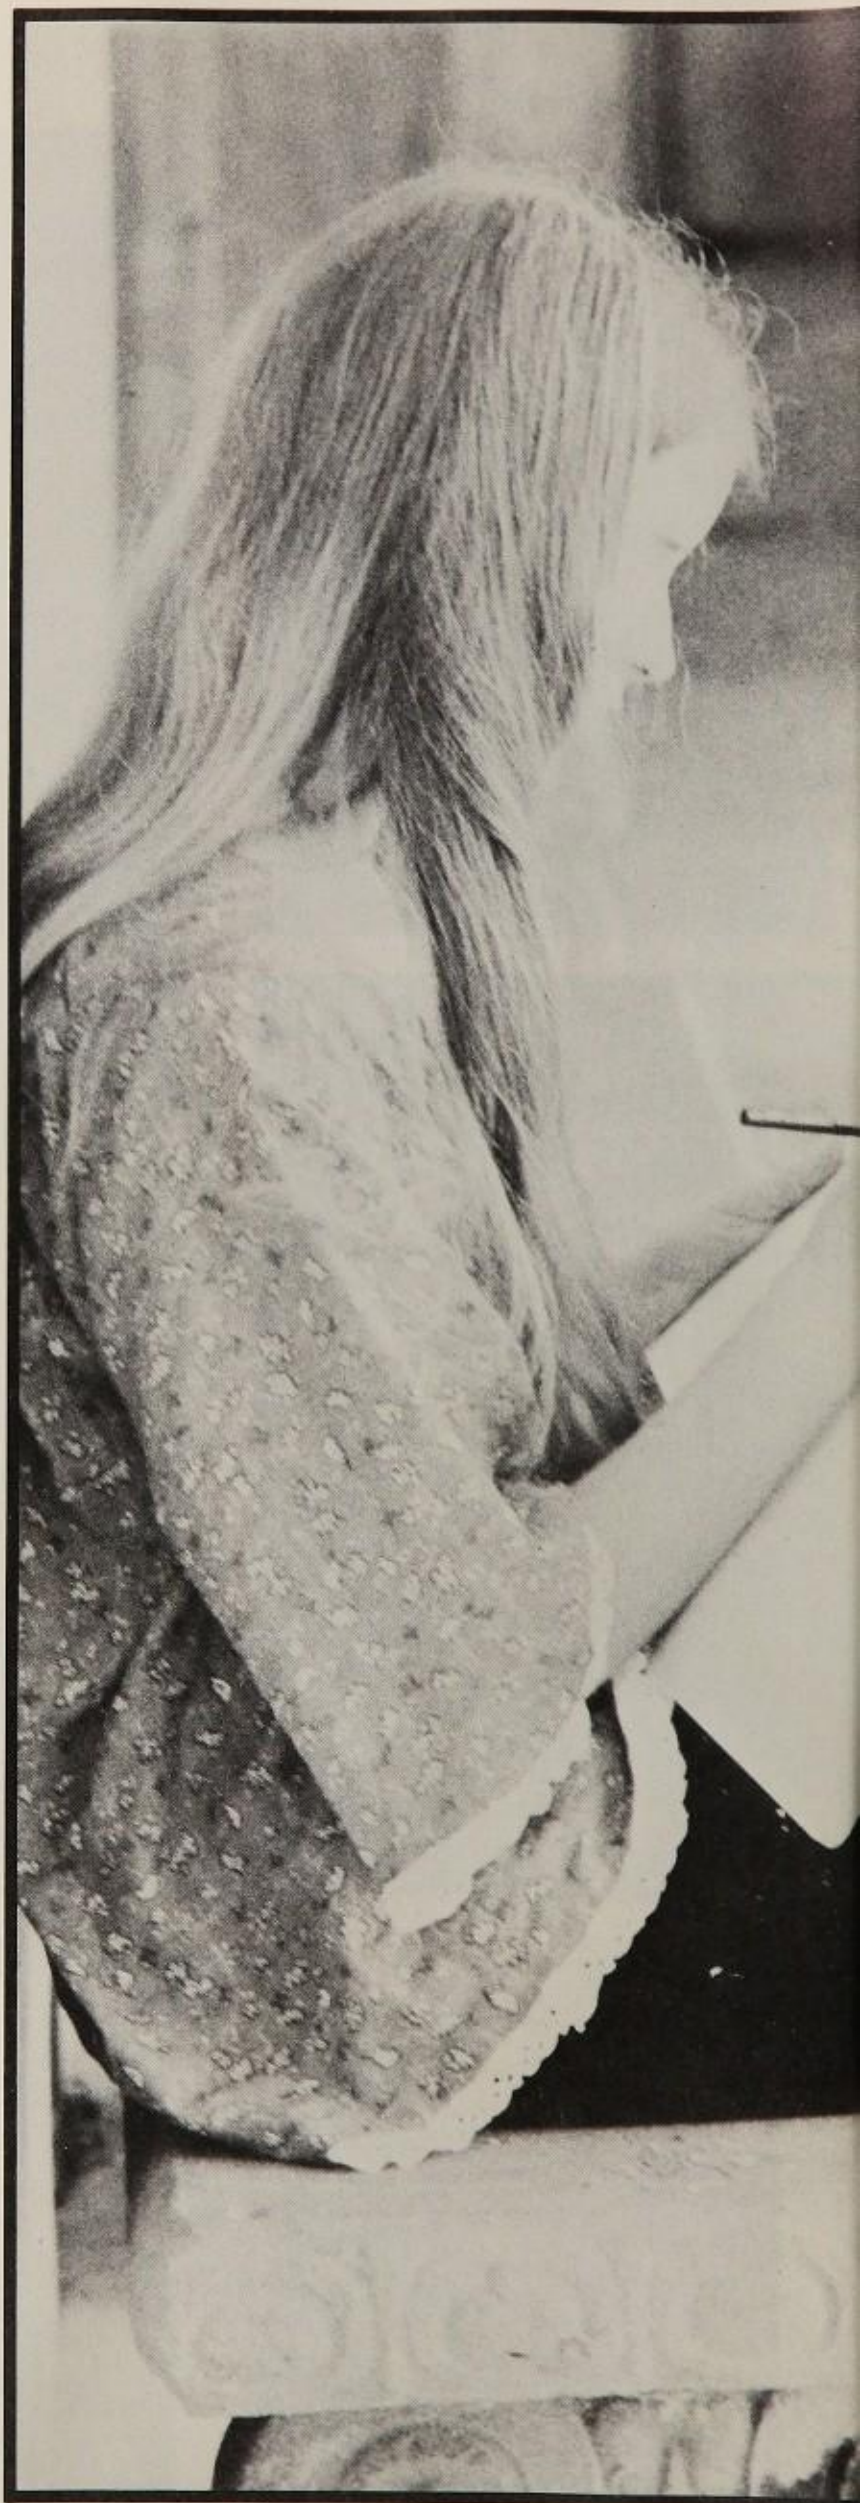

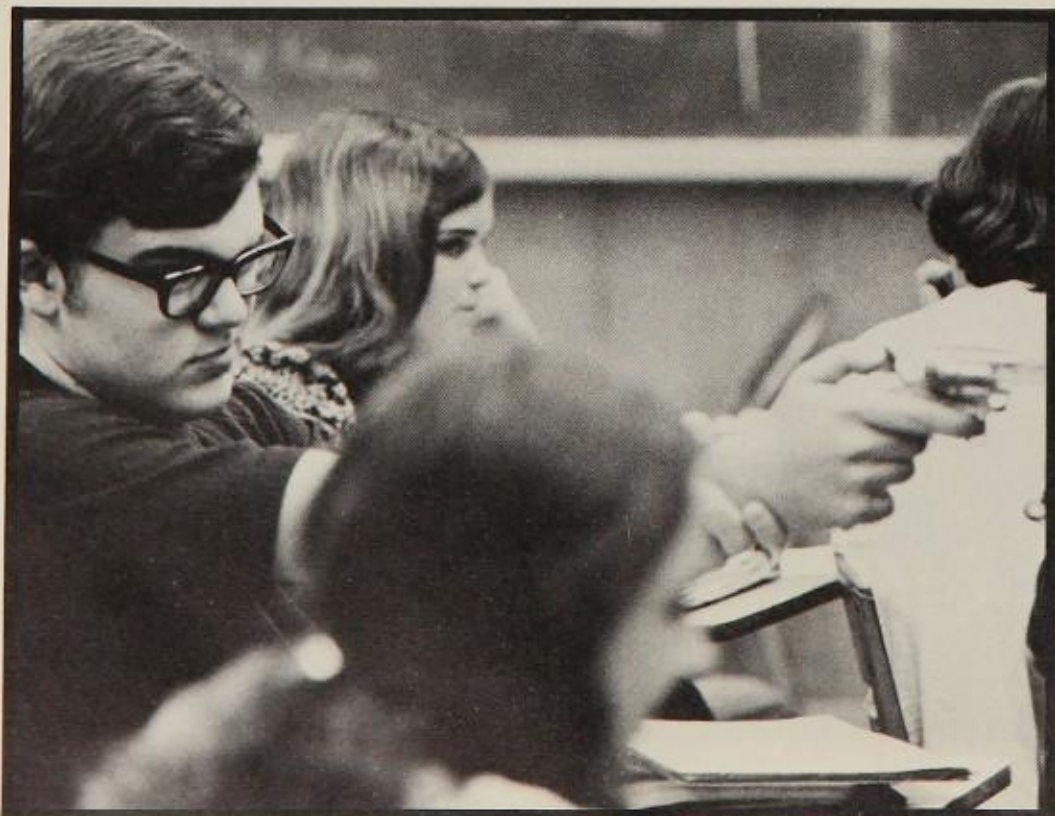

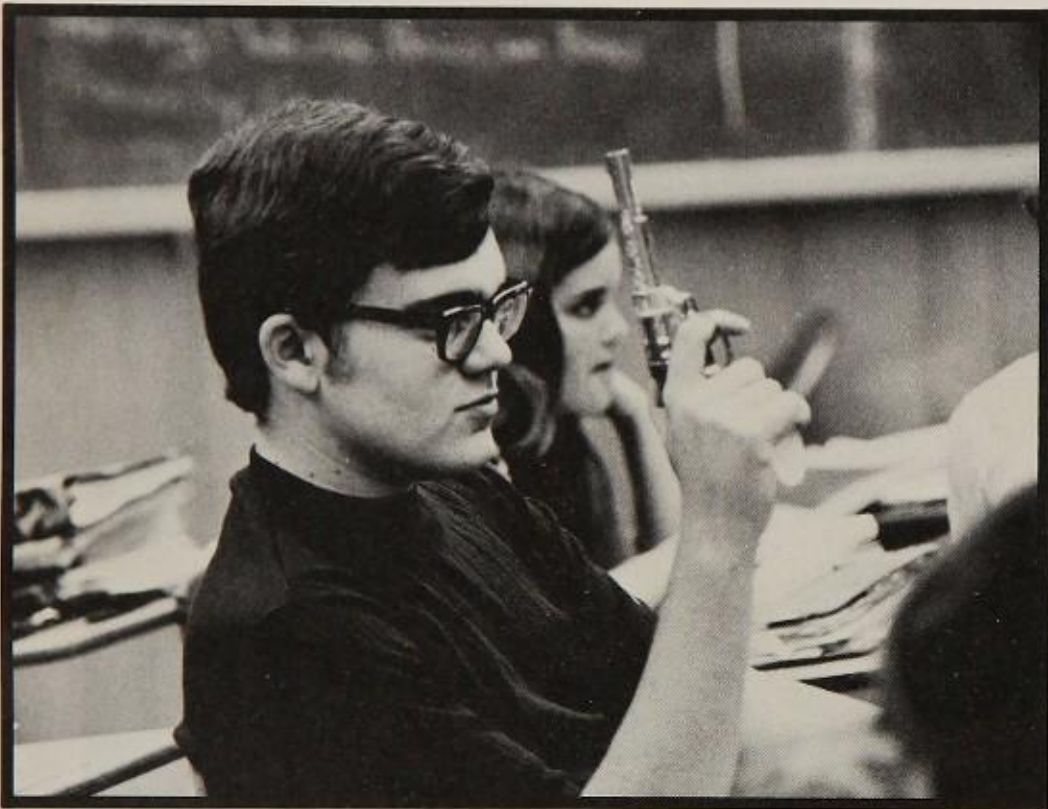

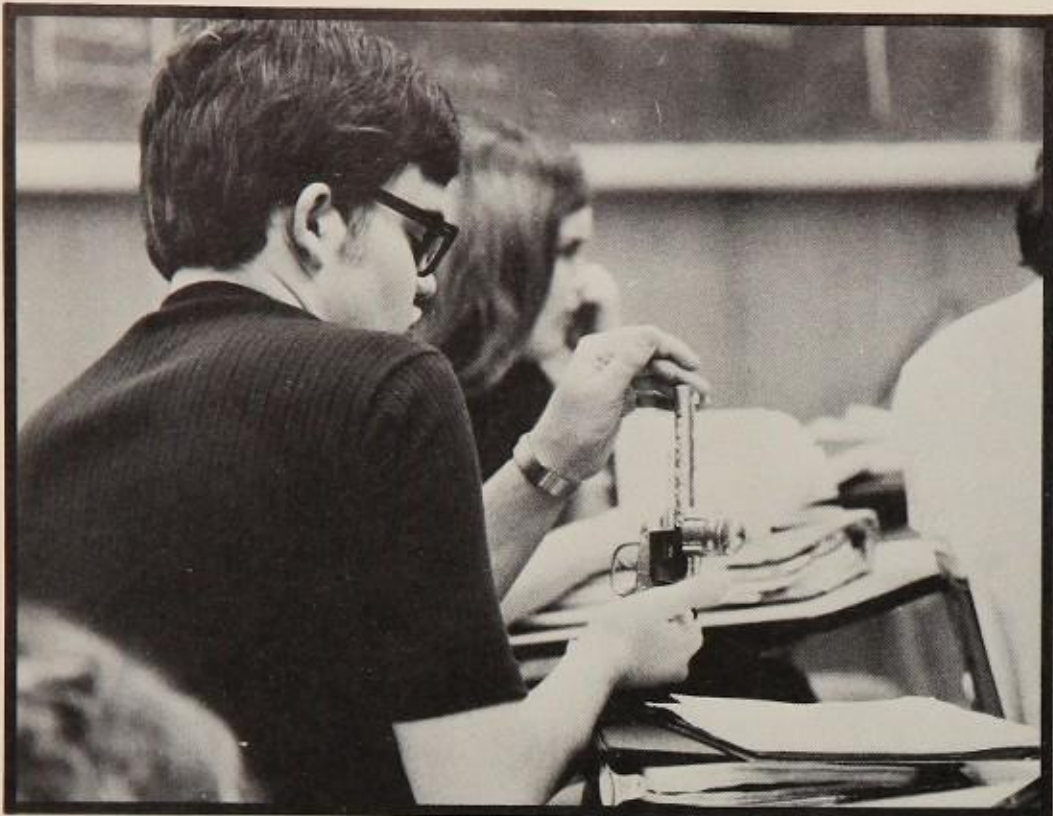

some of us found it;
some of us are still looking.
through our search, we learned,
we grew.
with each new discovery
we added a new dimension to ourselves —

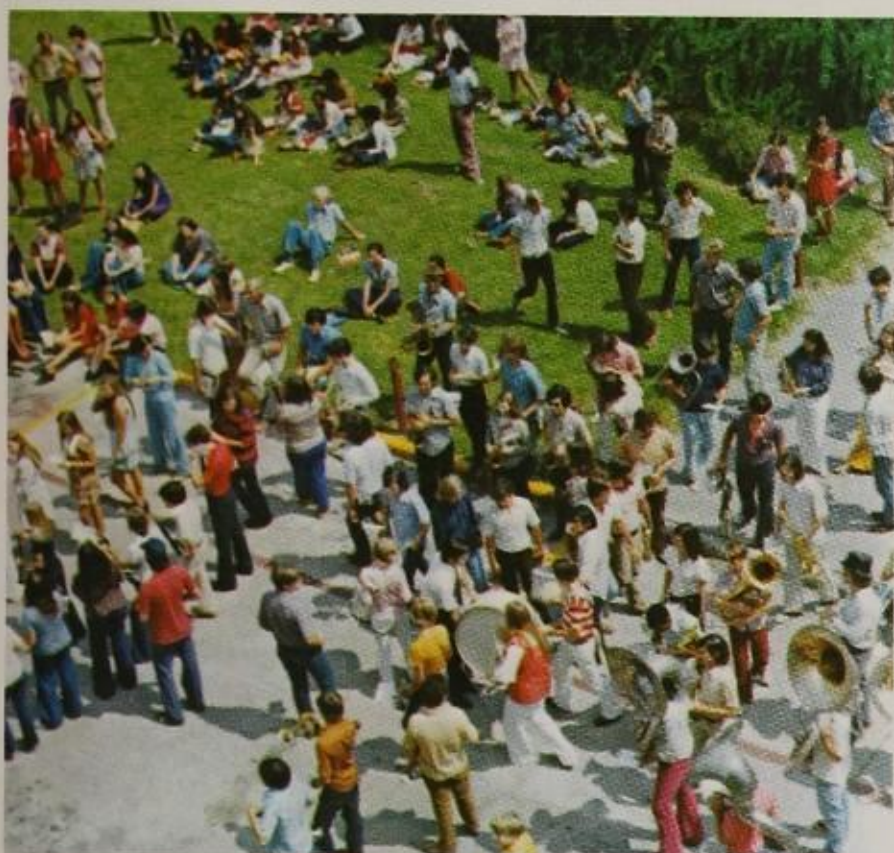

and to others.

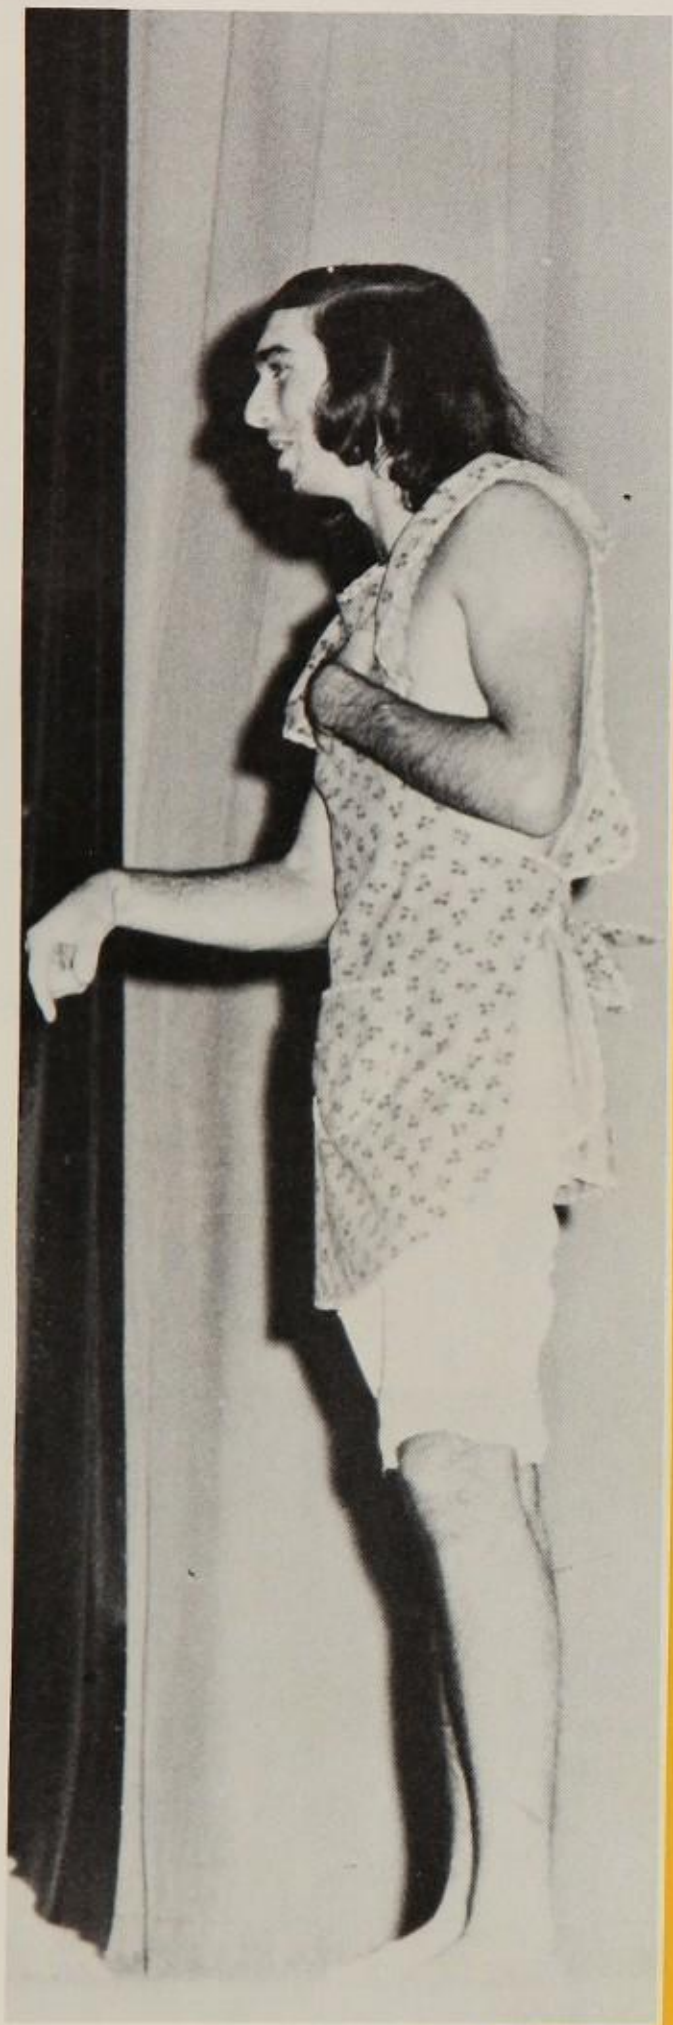

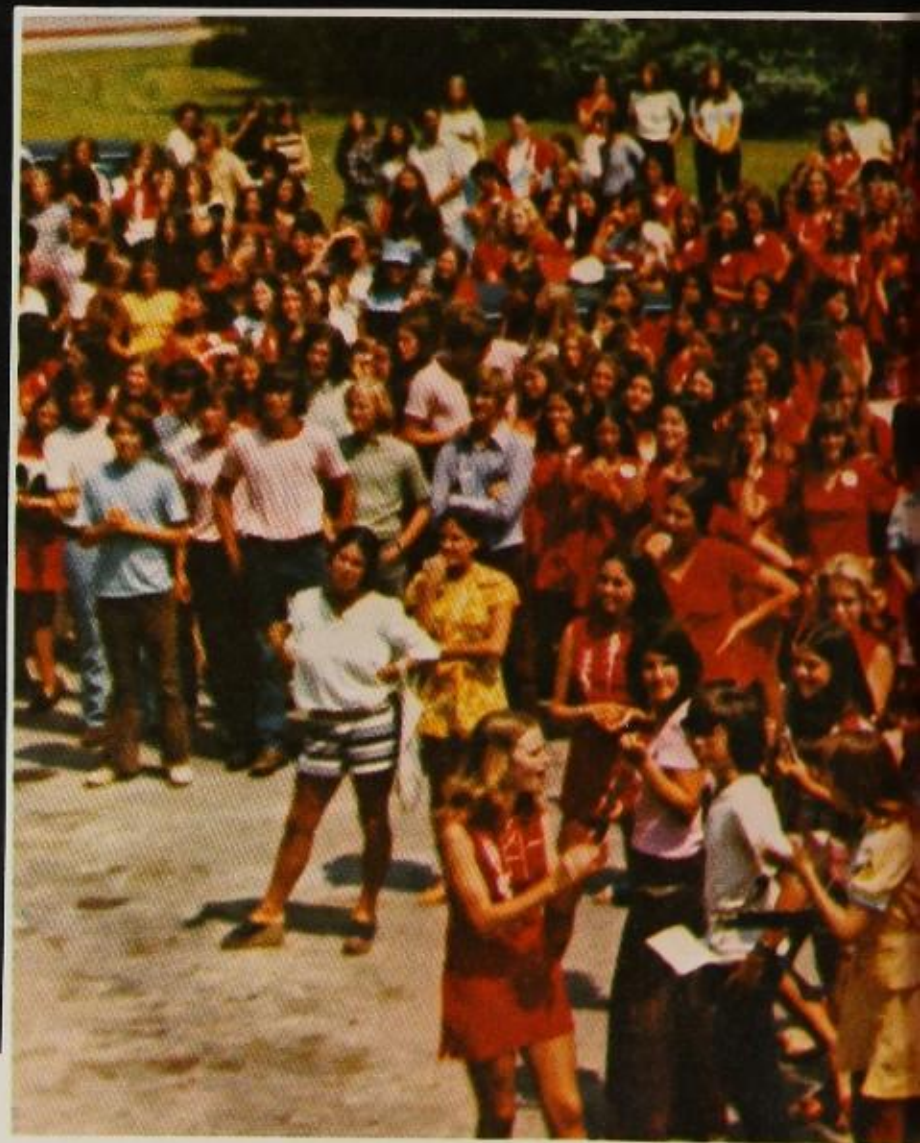

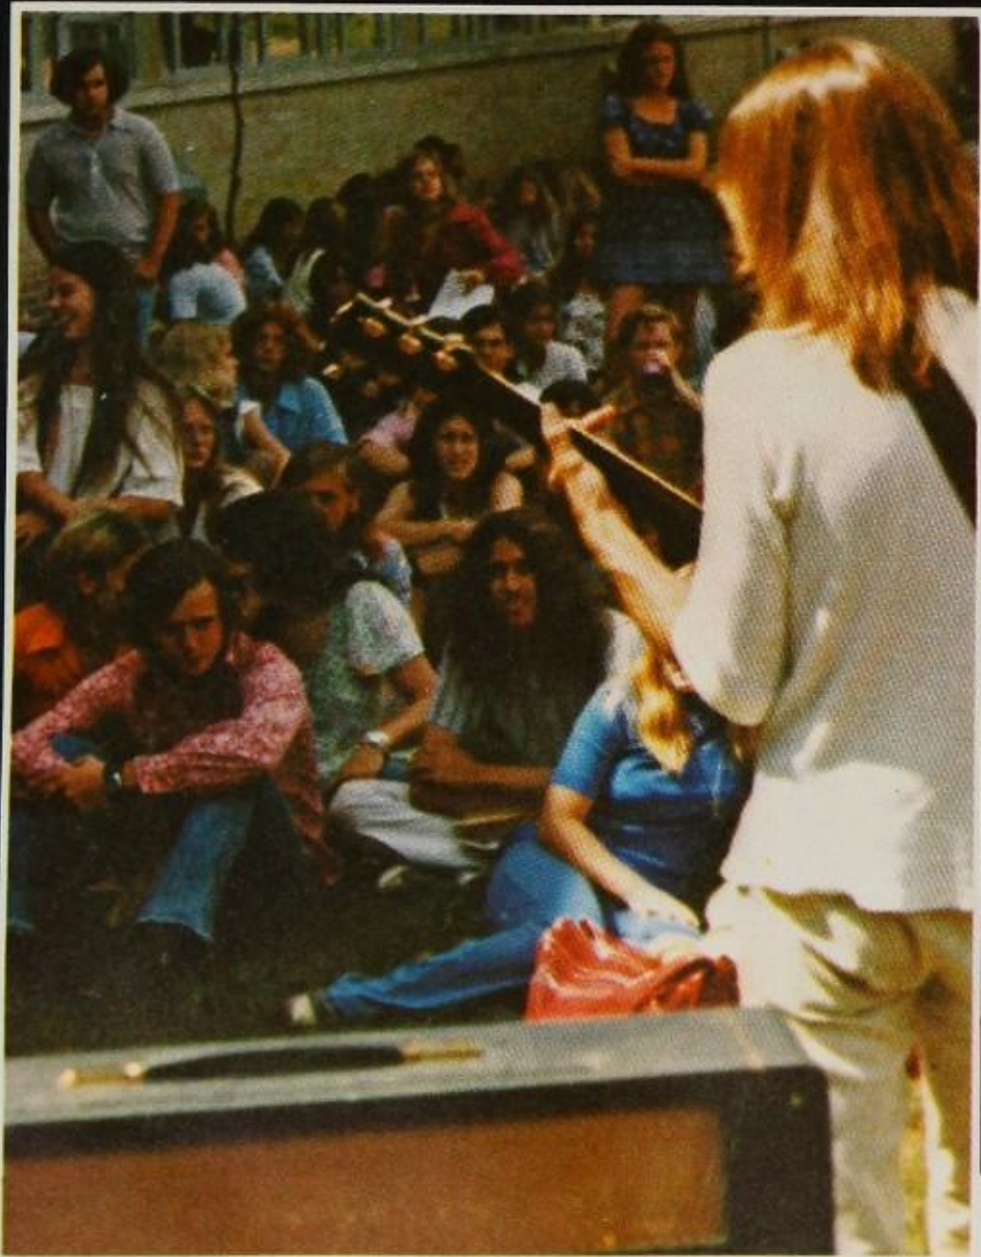

the process was easy and difficult,
 gratifying and anguishing,
 good and bad.
 we're coming to a new phase of our lives
 —
 some of us are ready;
 some of us are frightened.

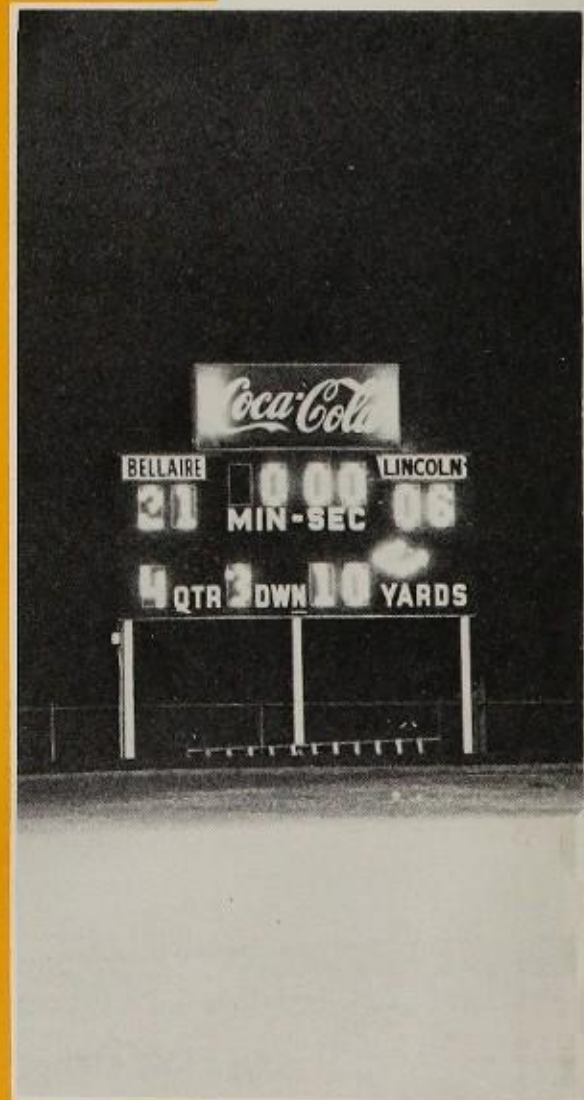

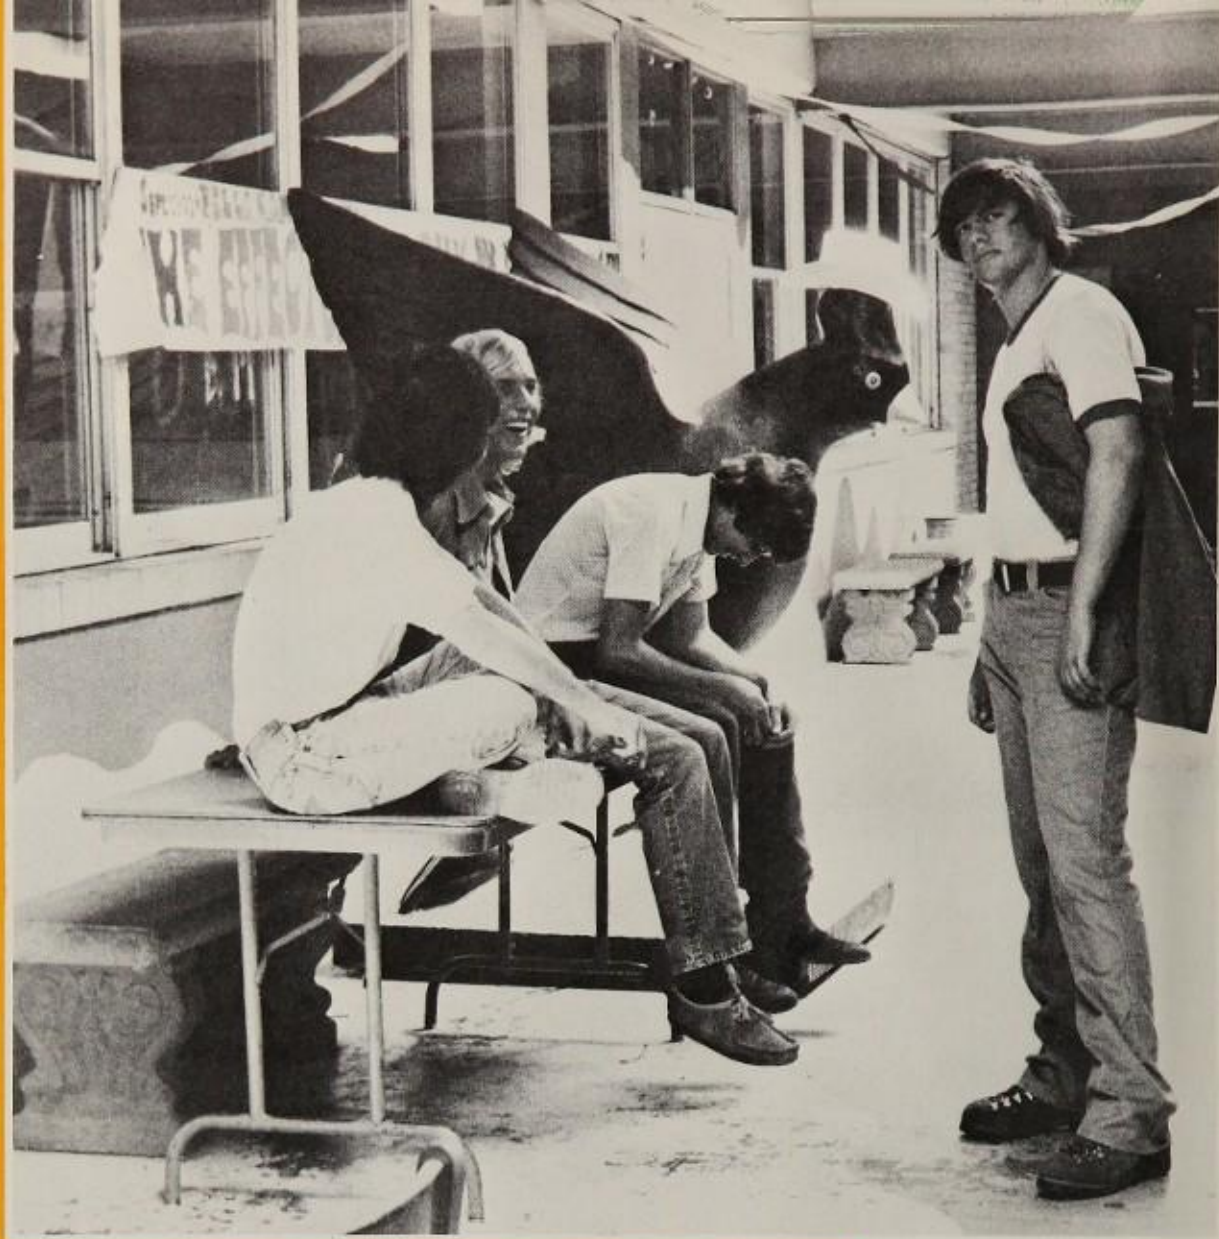

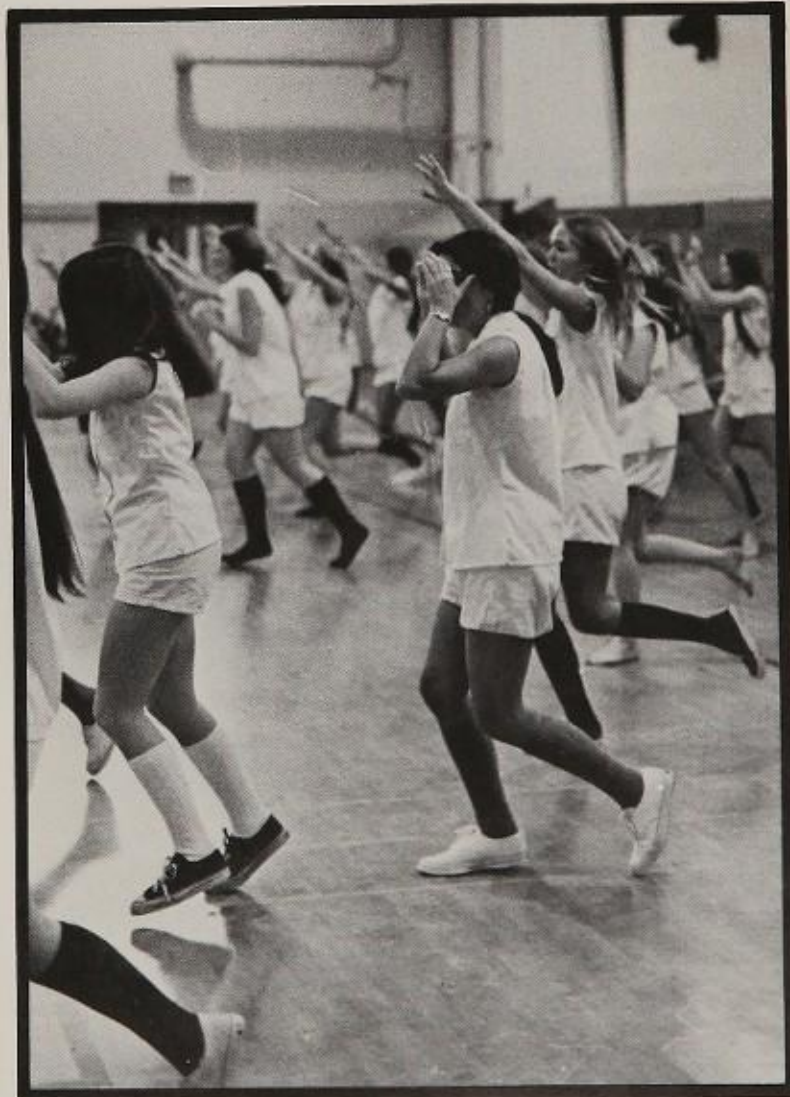

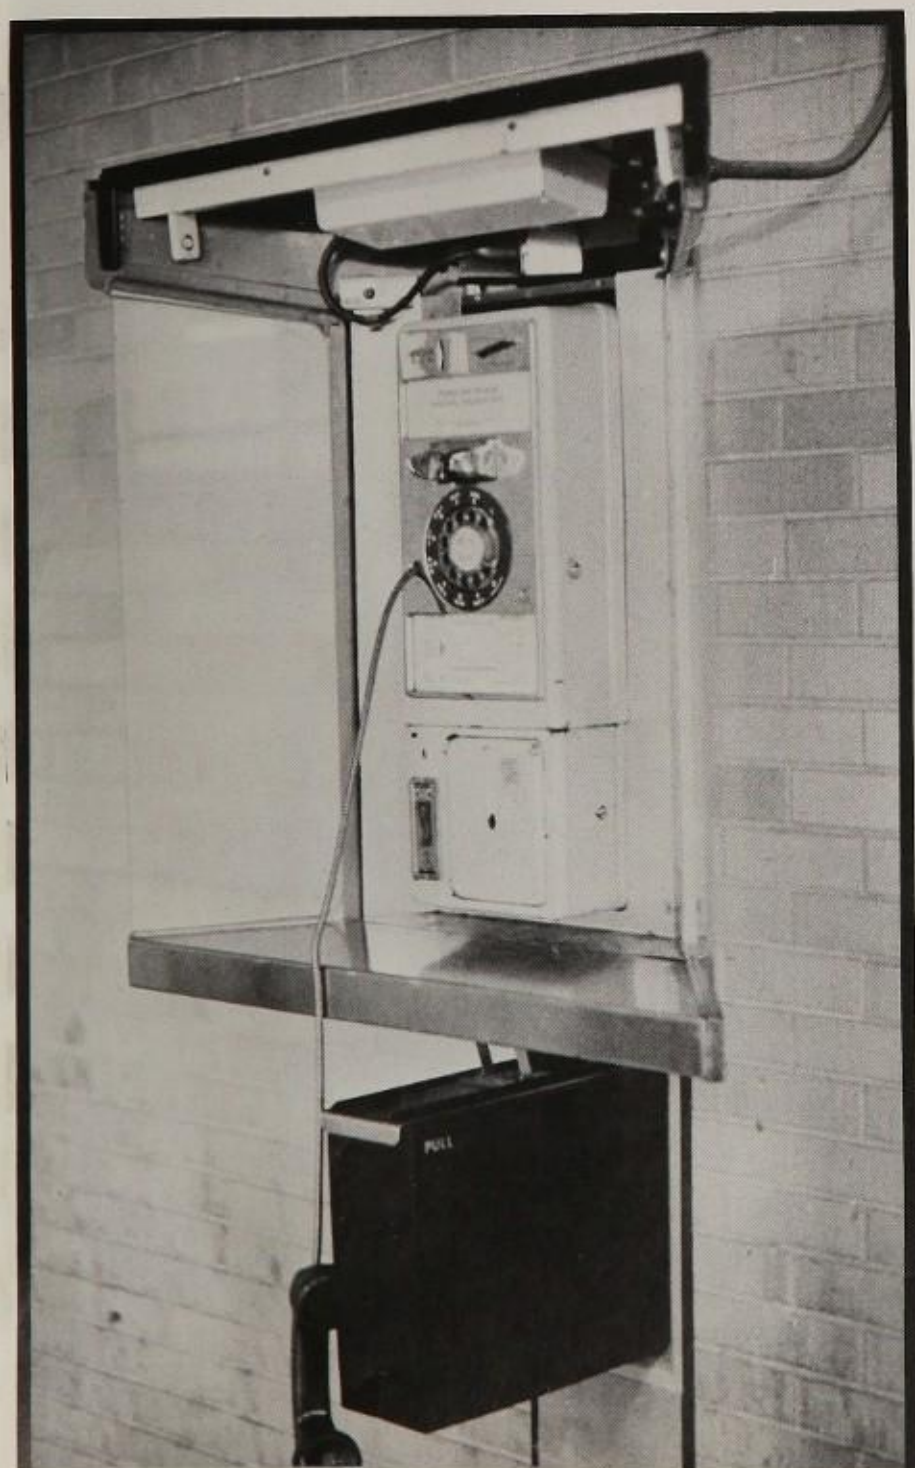

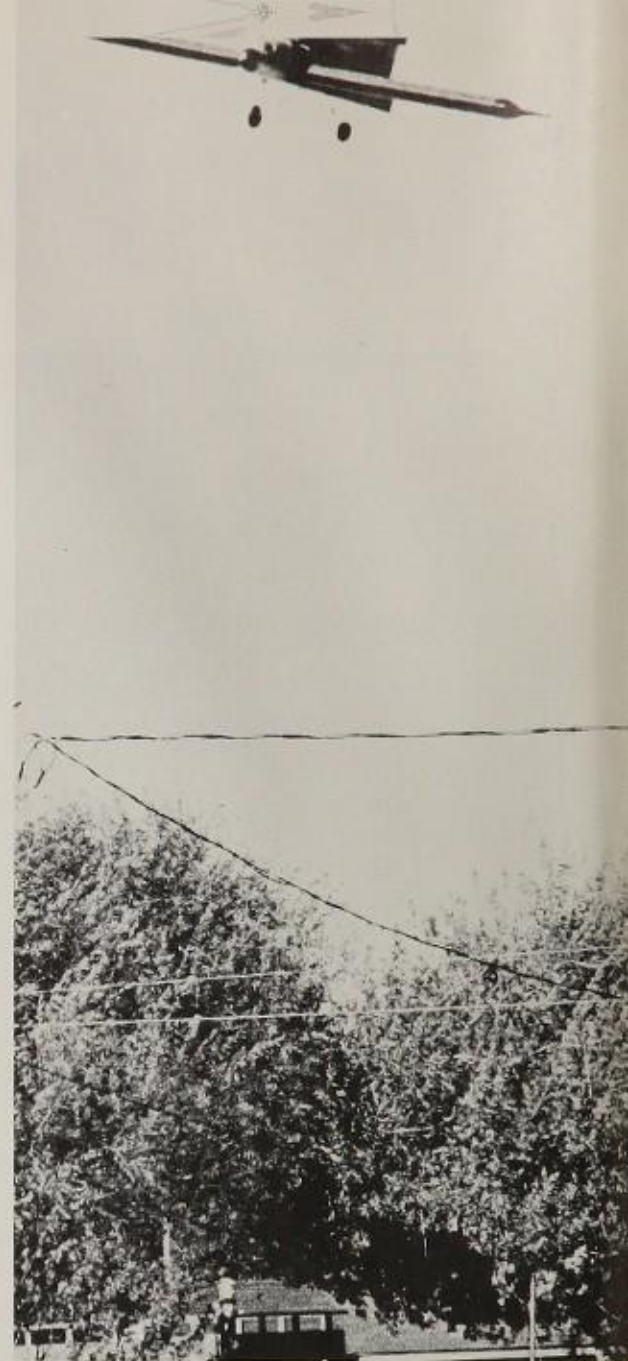

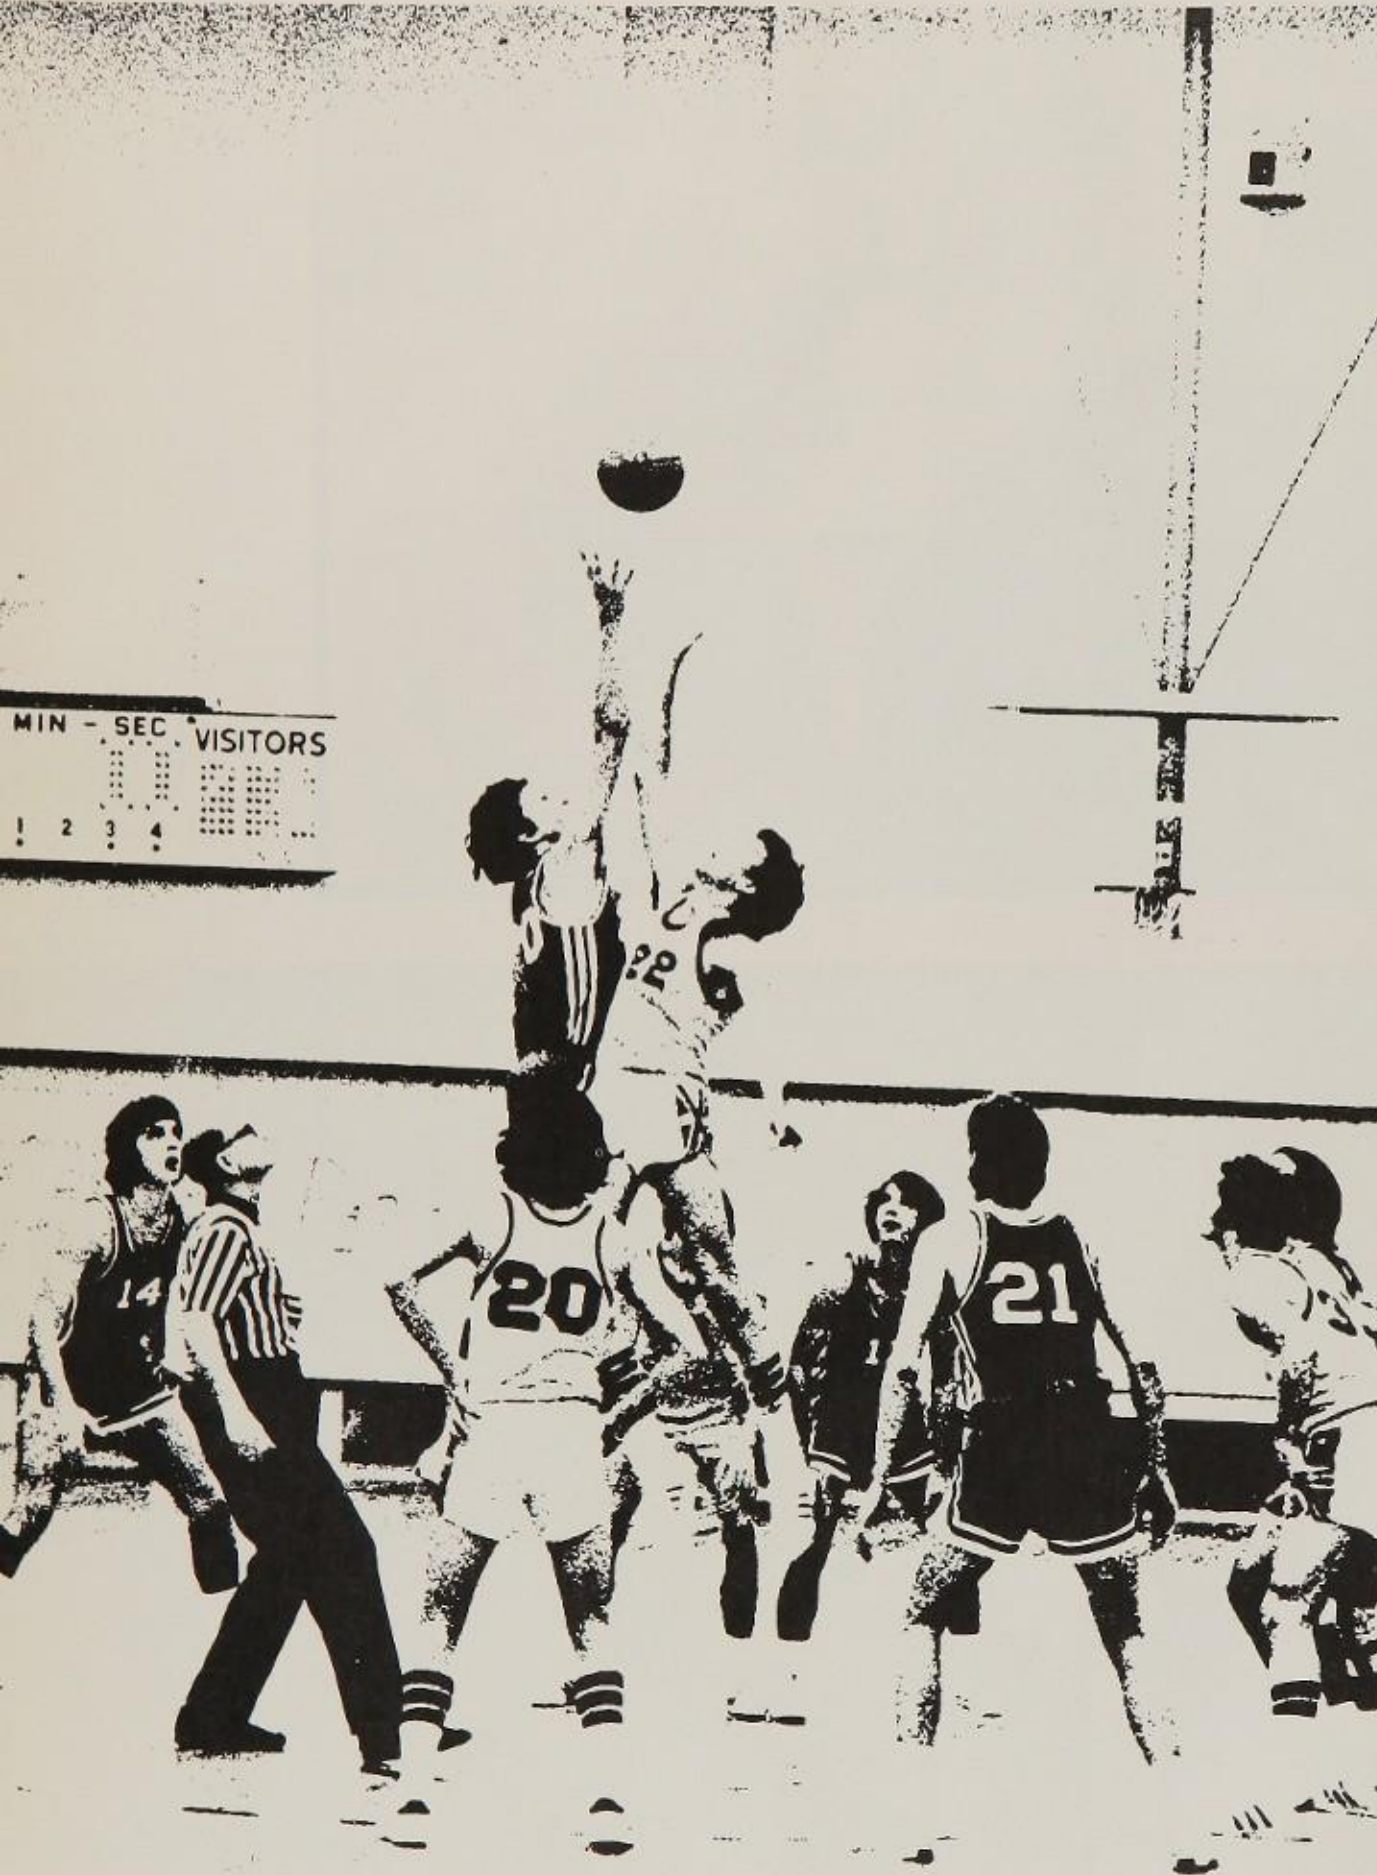

but it shall come regardless.
things will never be the same.

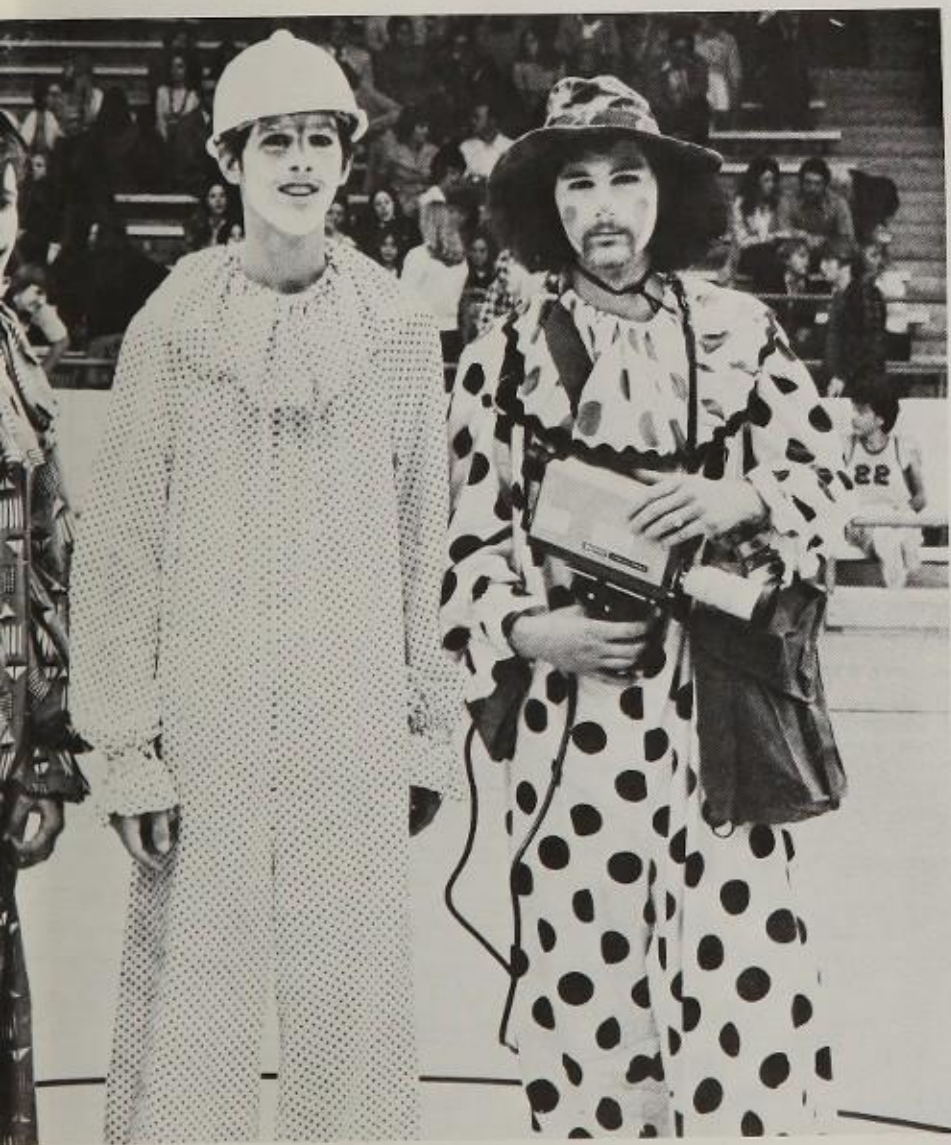

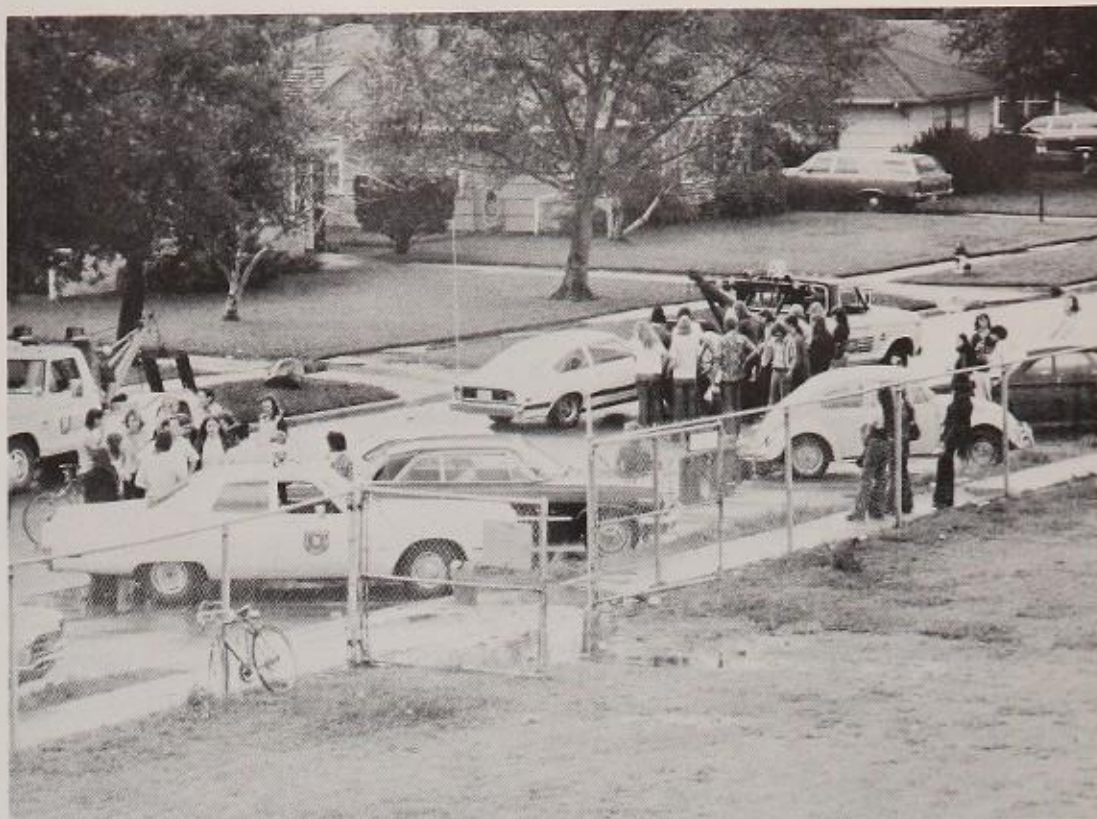

**we've been disappointed
by things that happened**

**which we knew were wrong,
and yet were helpless to fight**

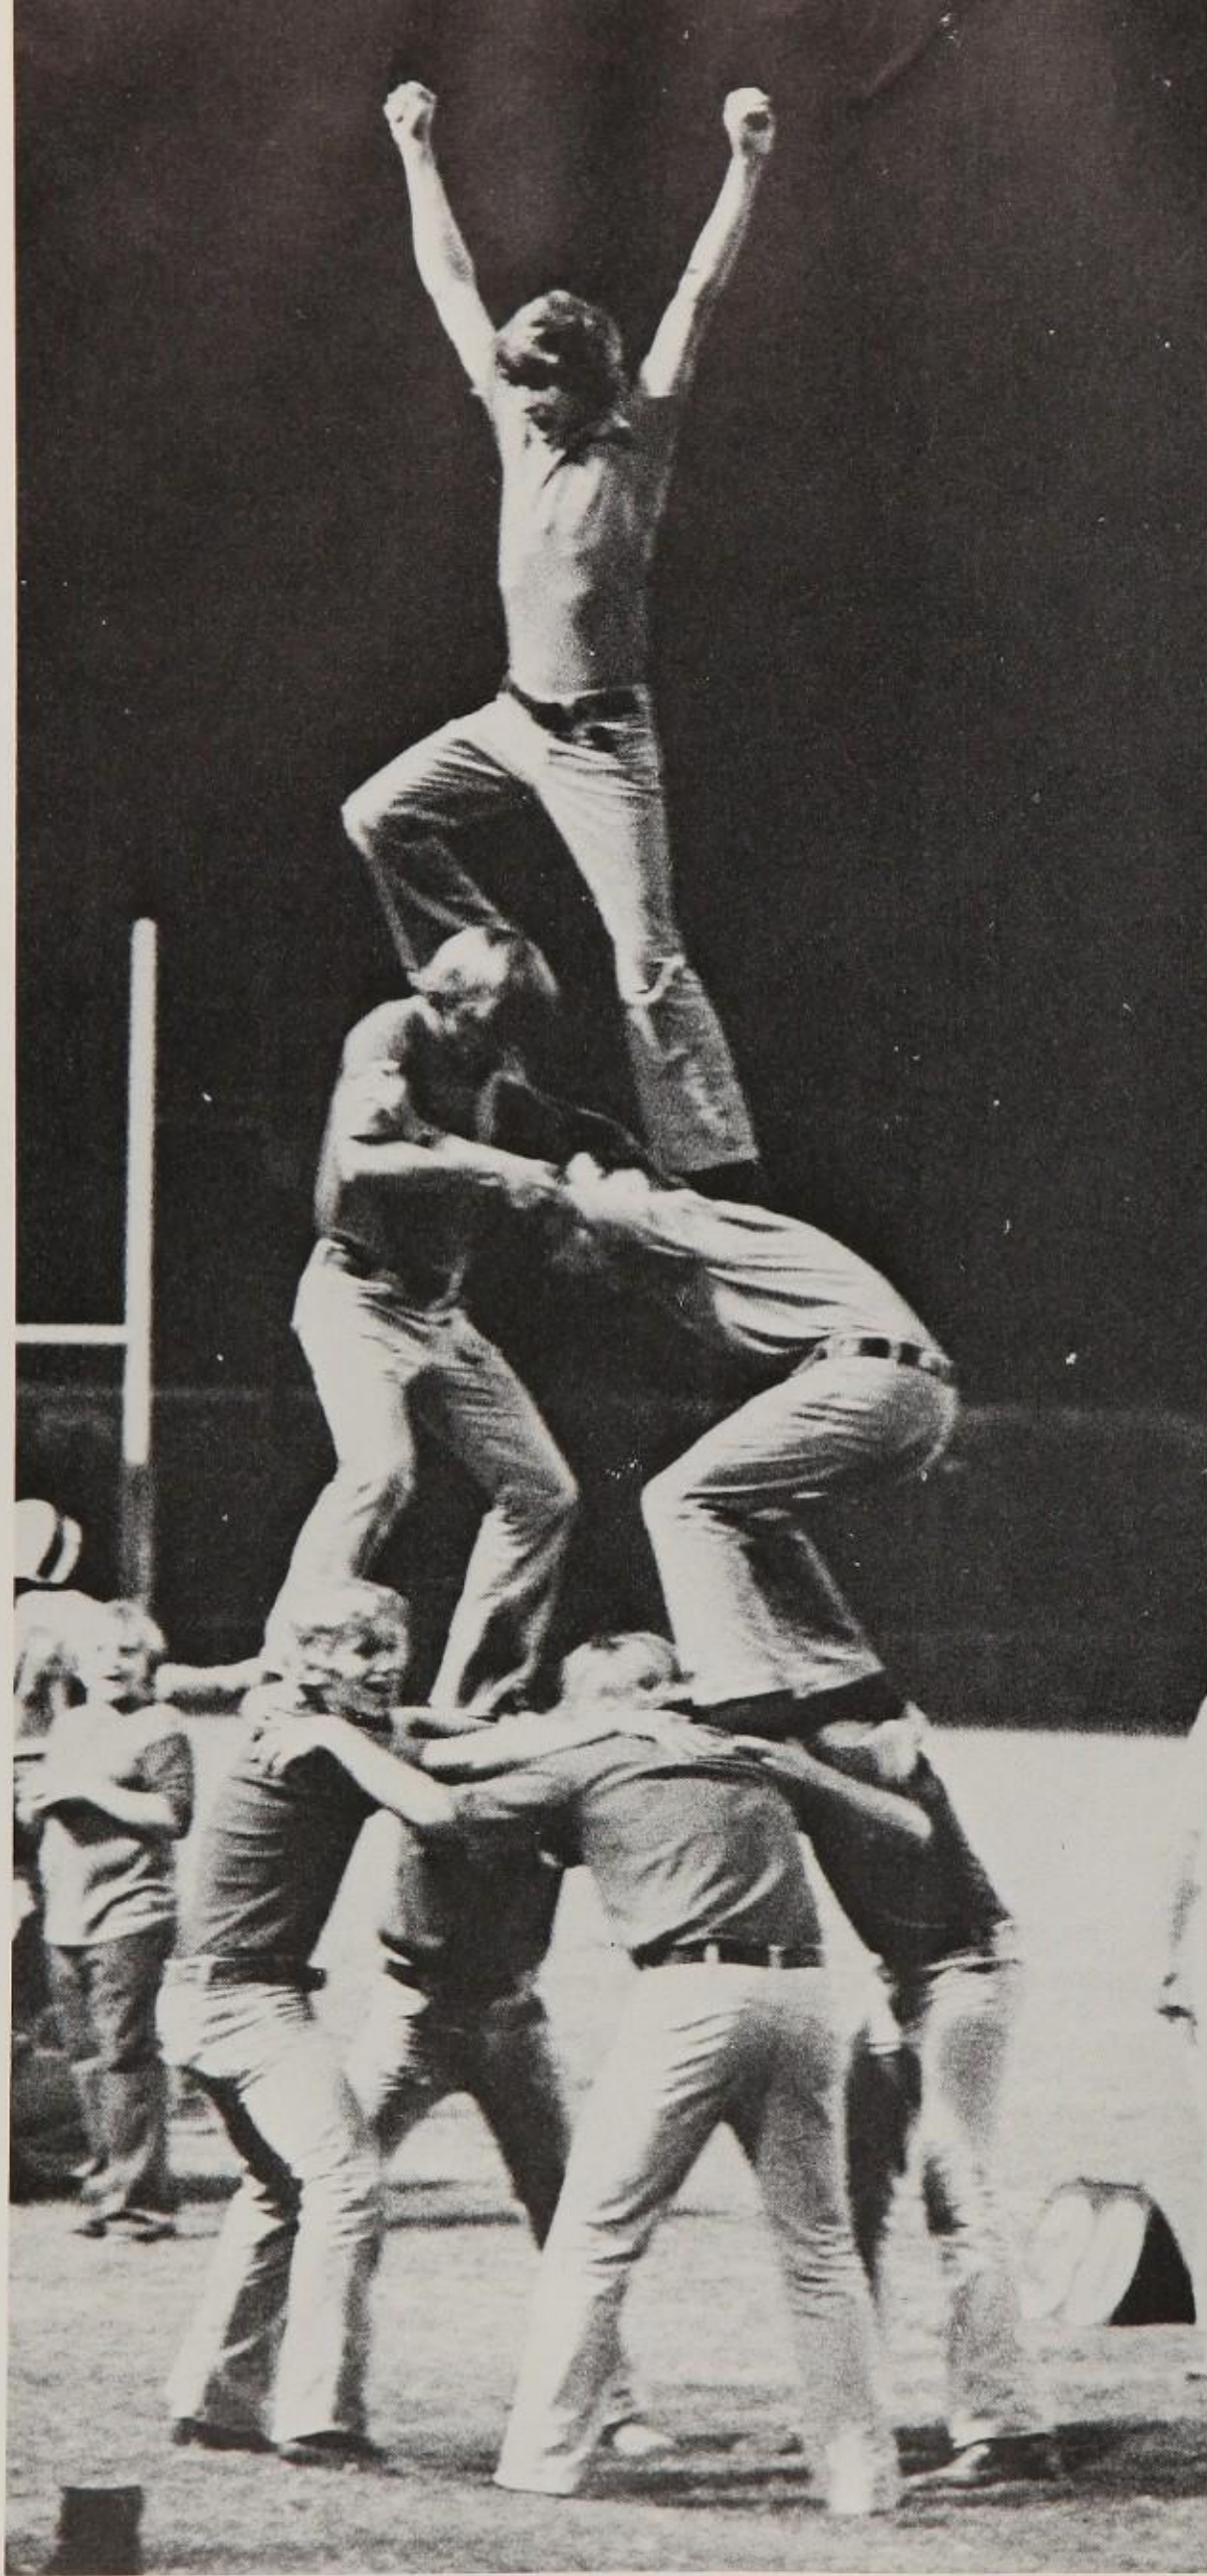

**the struggle within us
to justify these things**

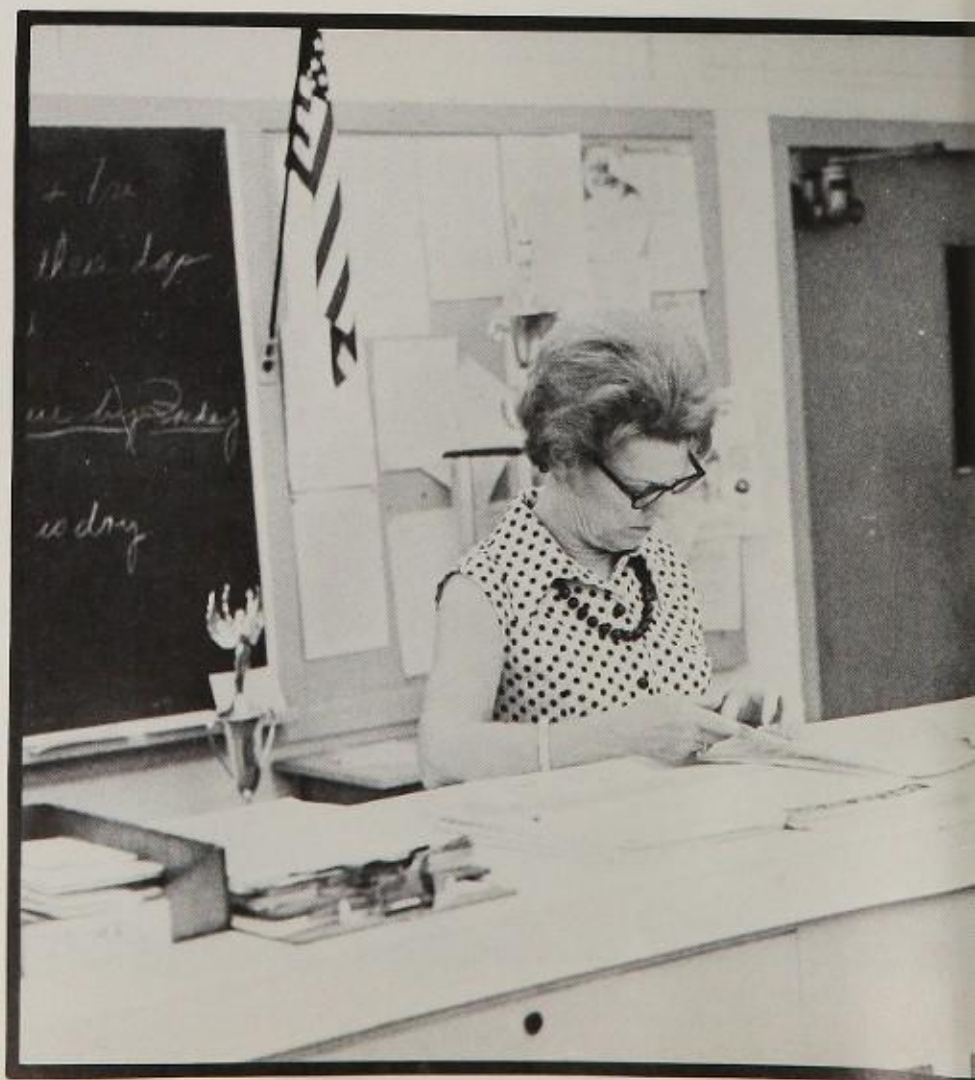

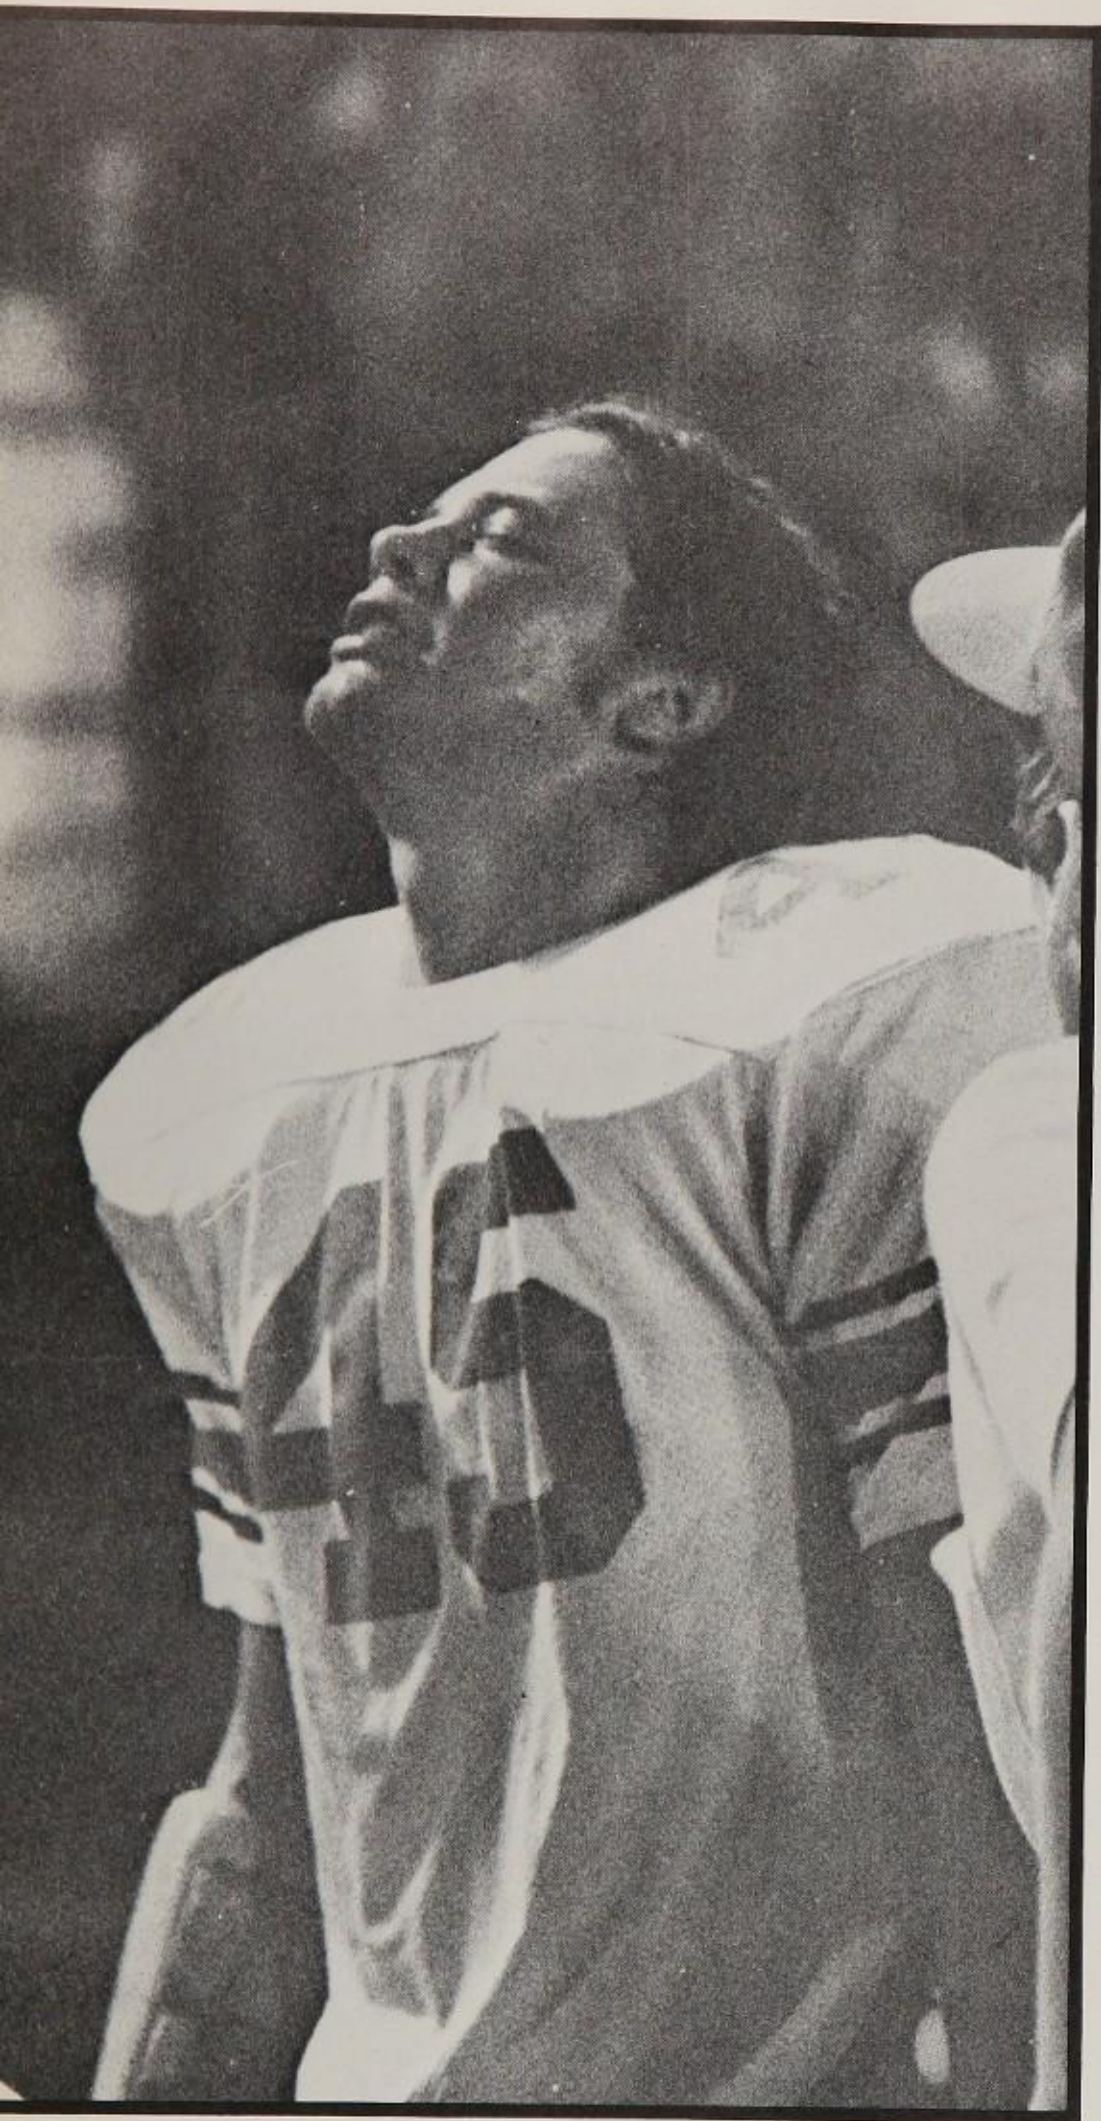

**added a new depth to
ourselves.**

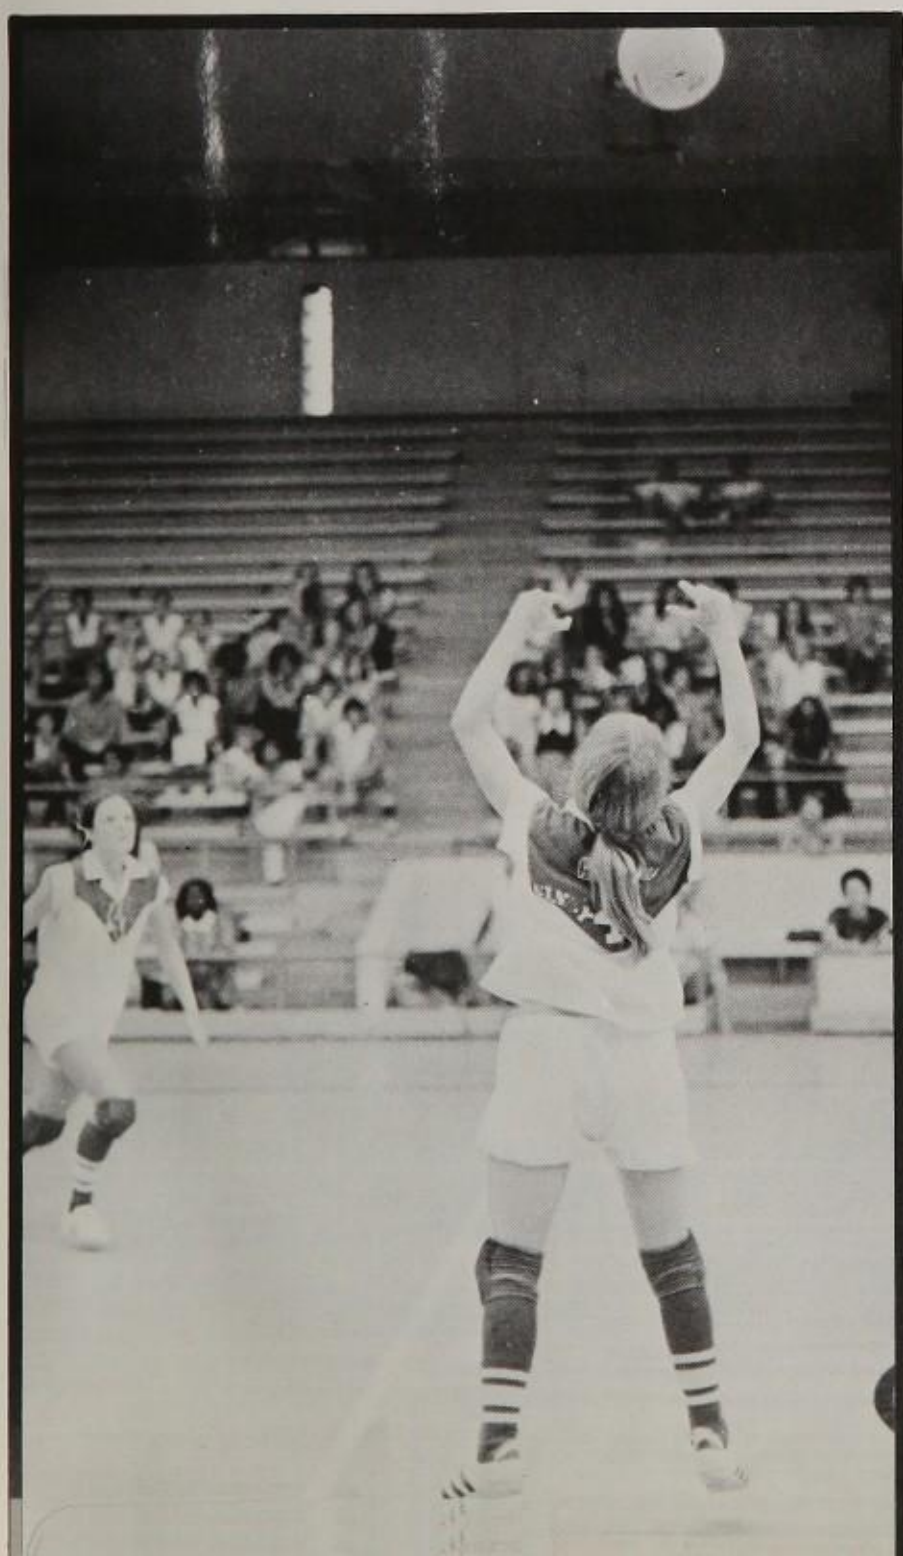

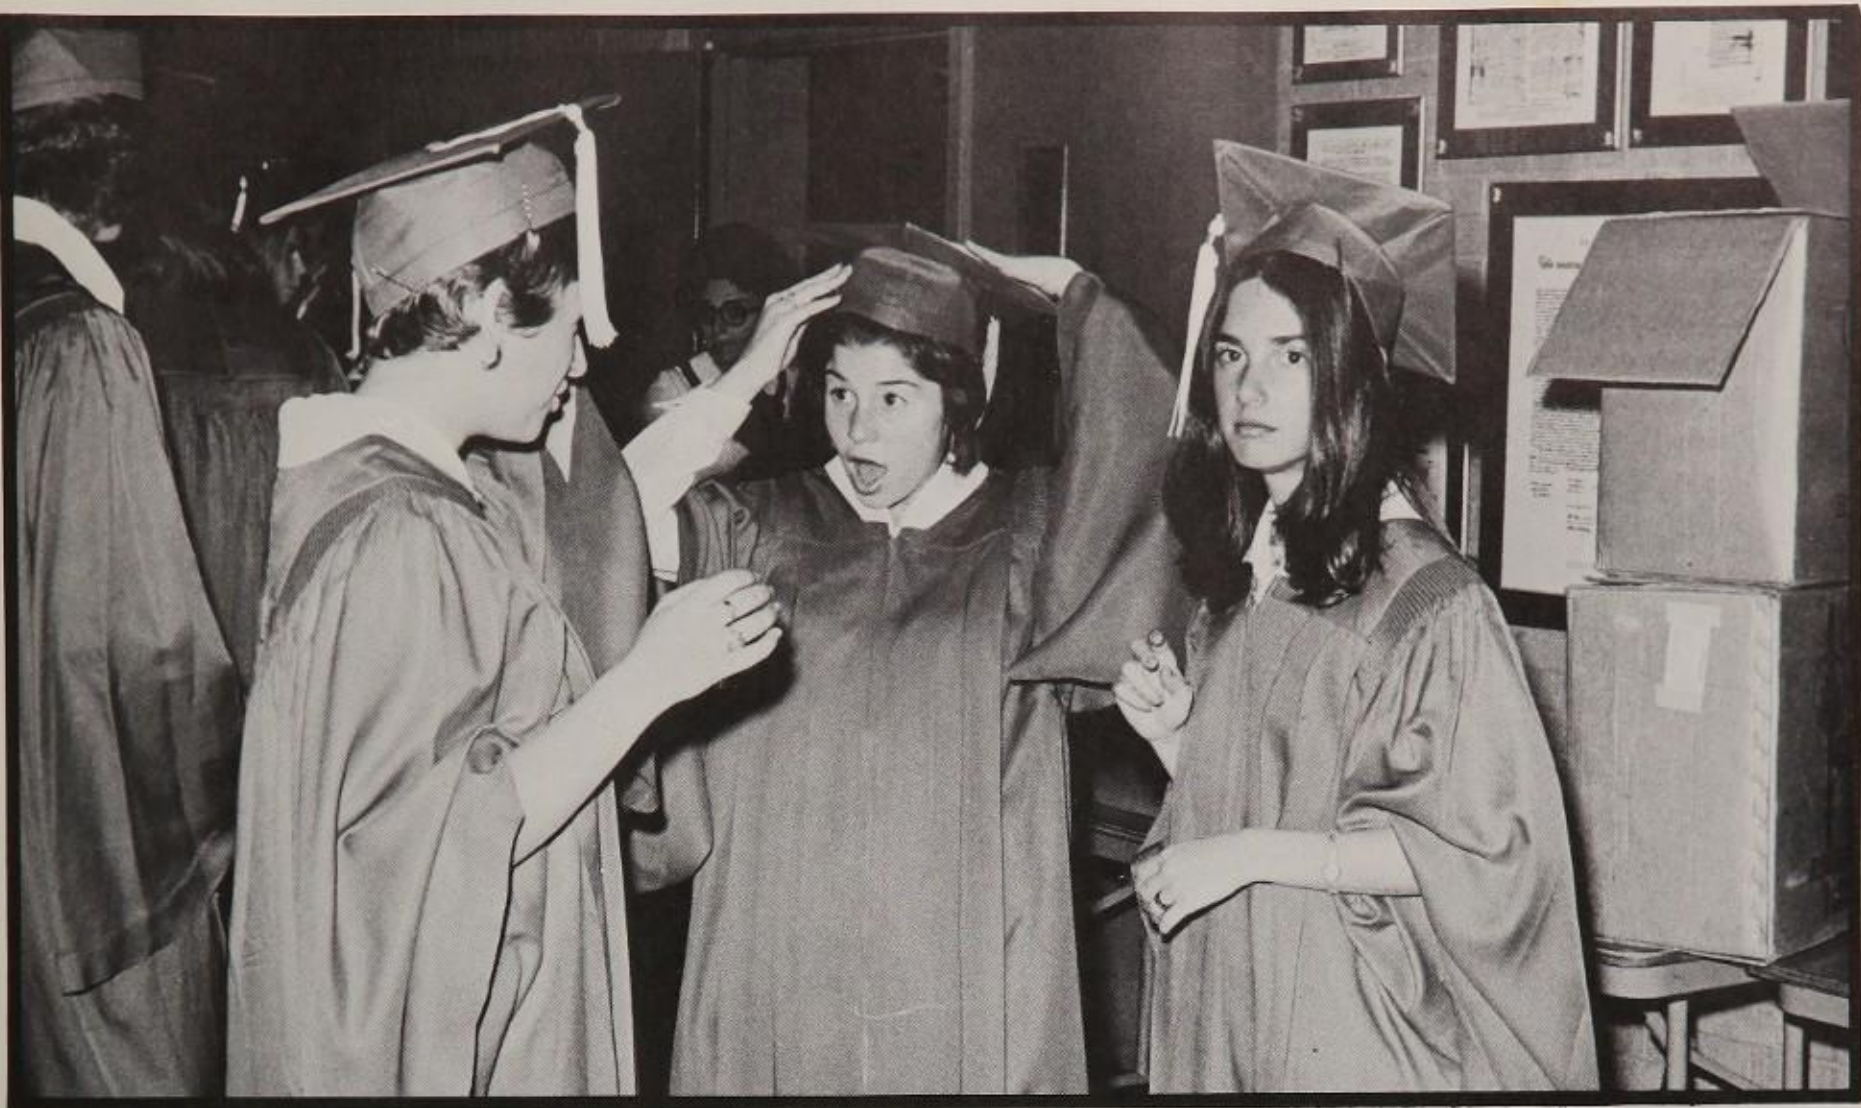

**it gave us a whole new view of the world
not as we see it,
but as it really is.
and each of us reacted differently
as we came face to face
with this uncompromising reality**

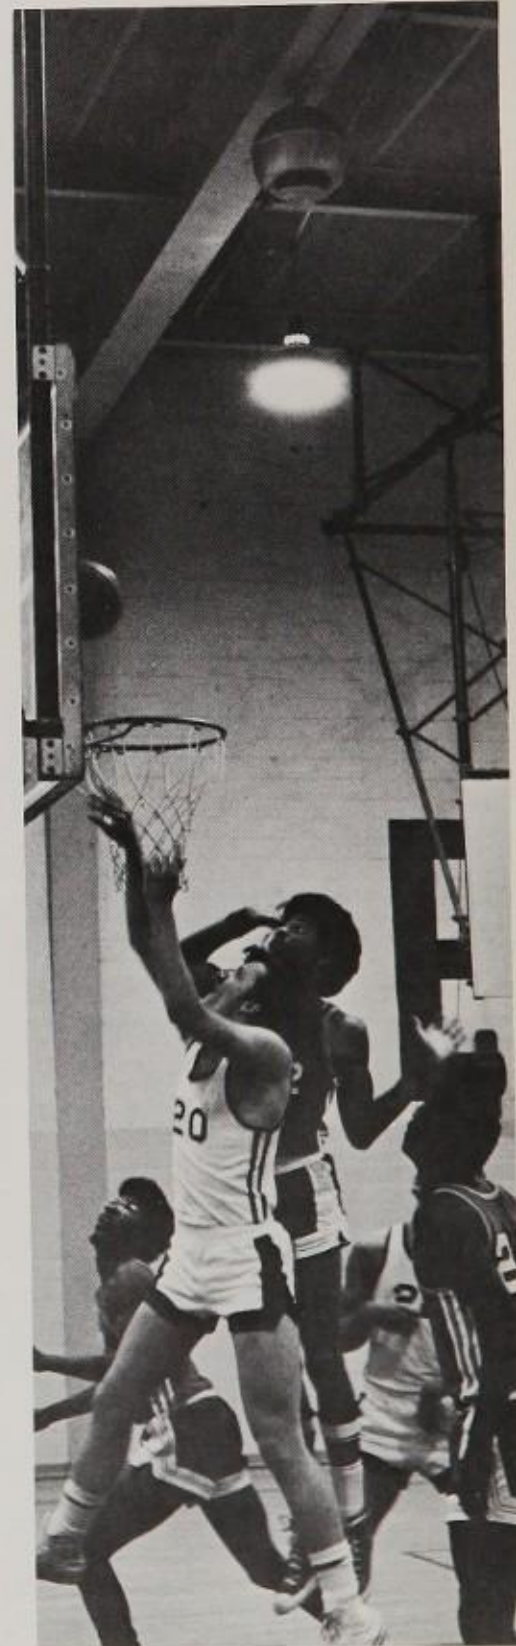

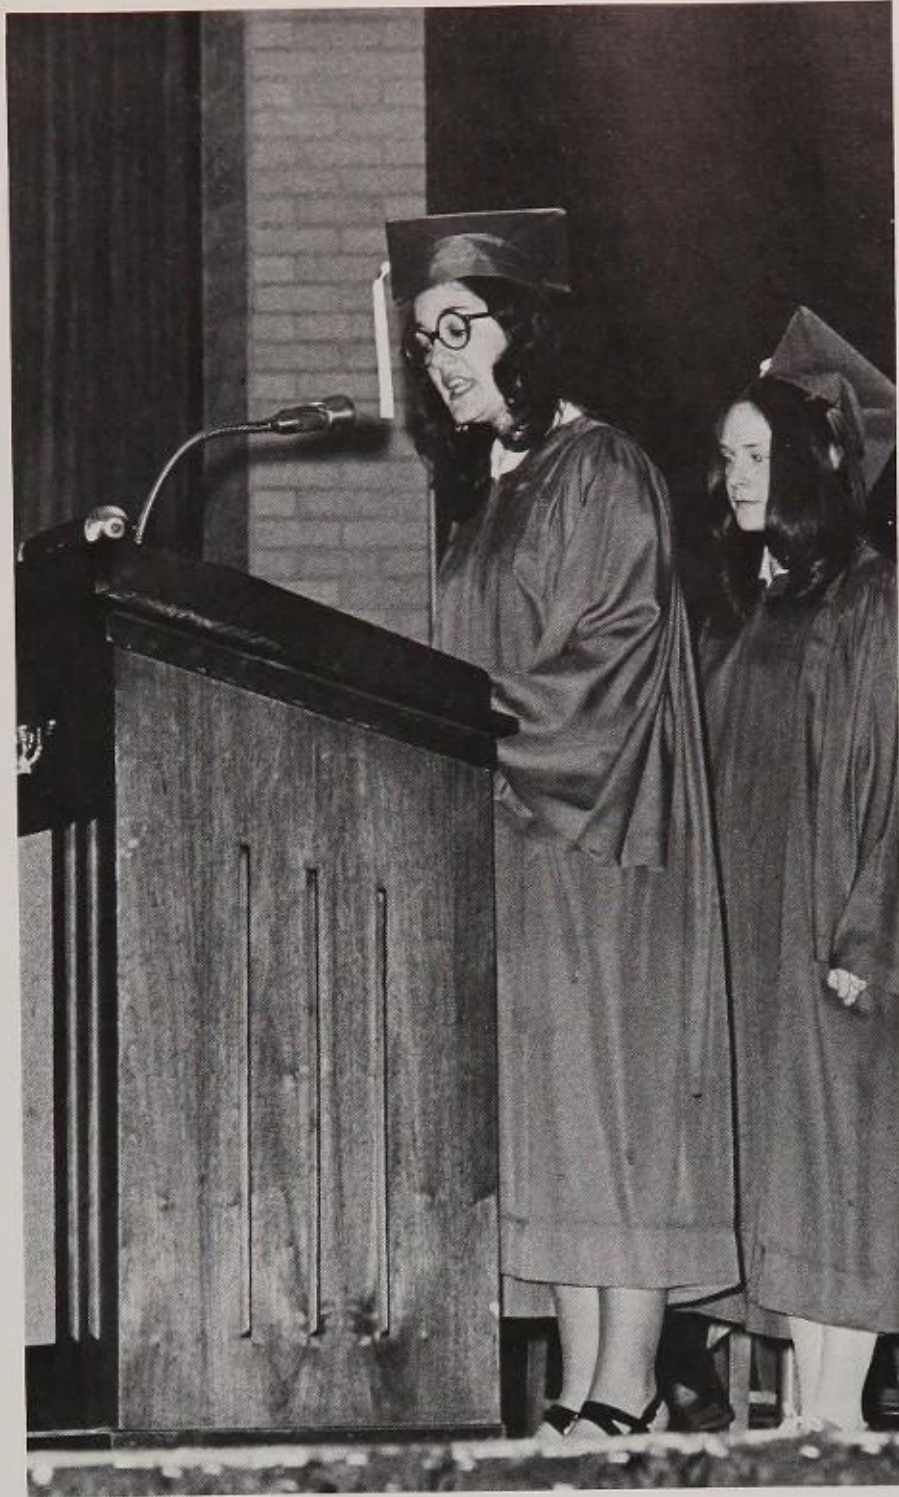

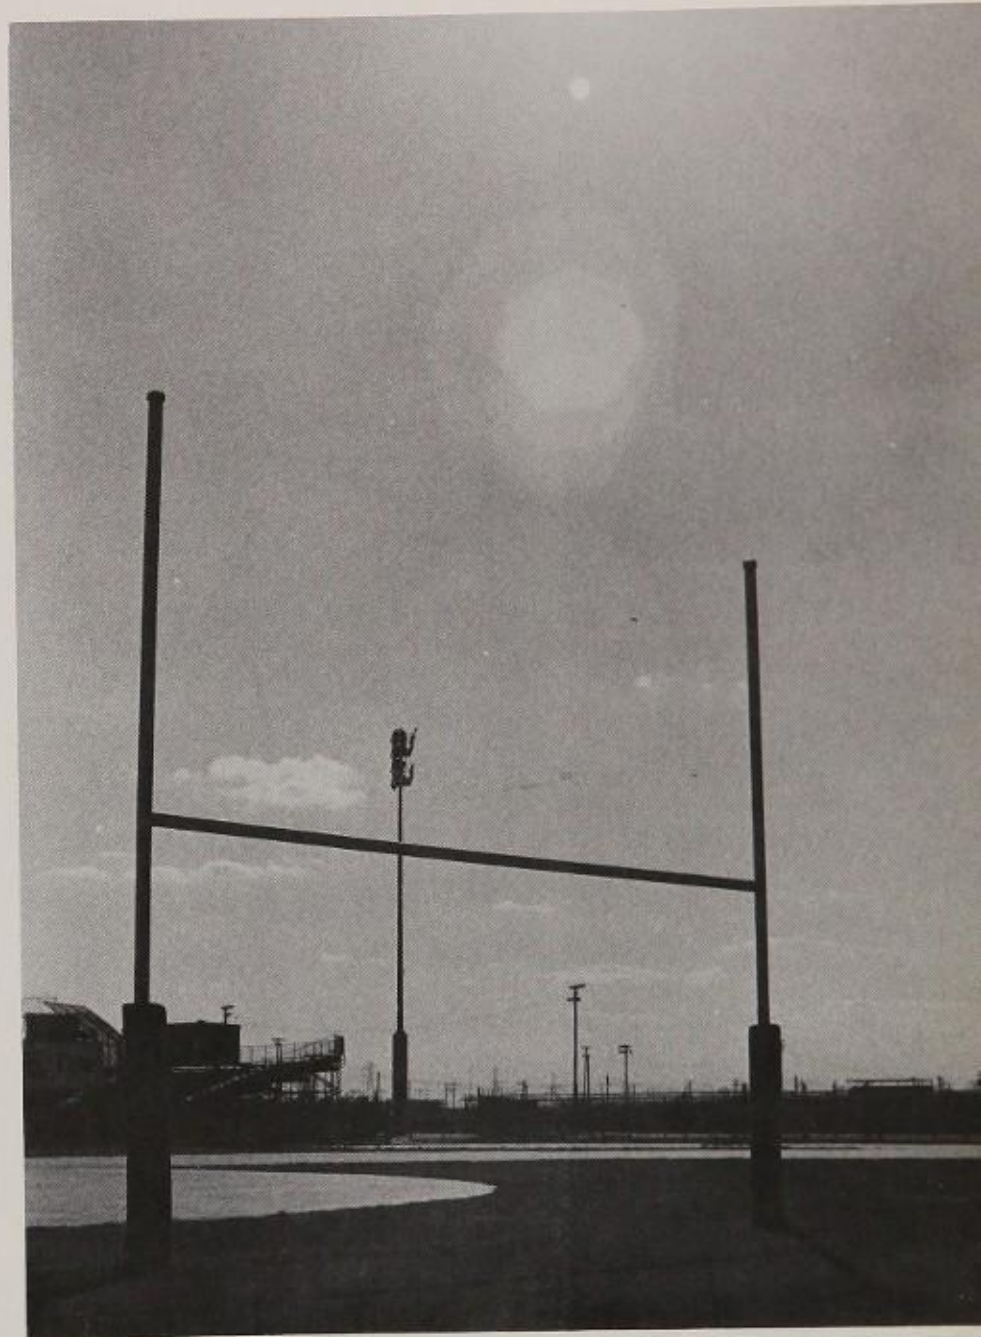

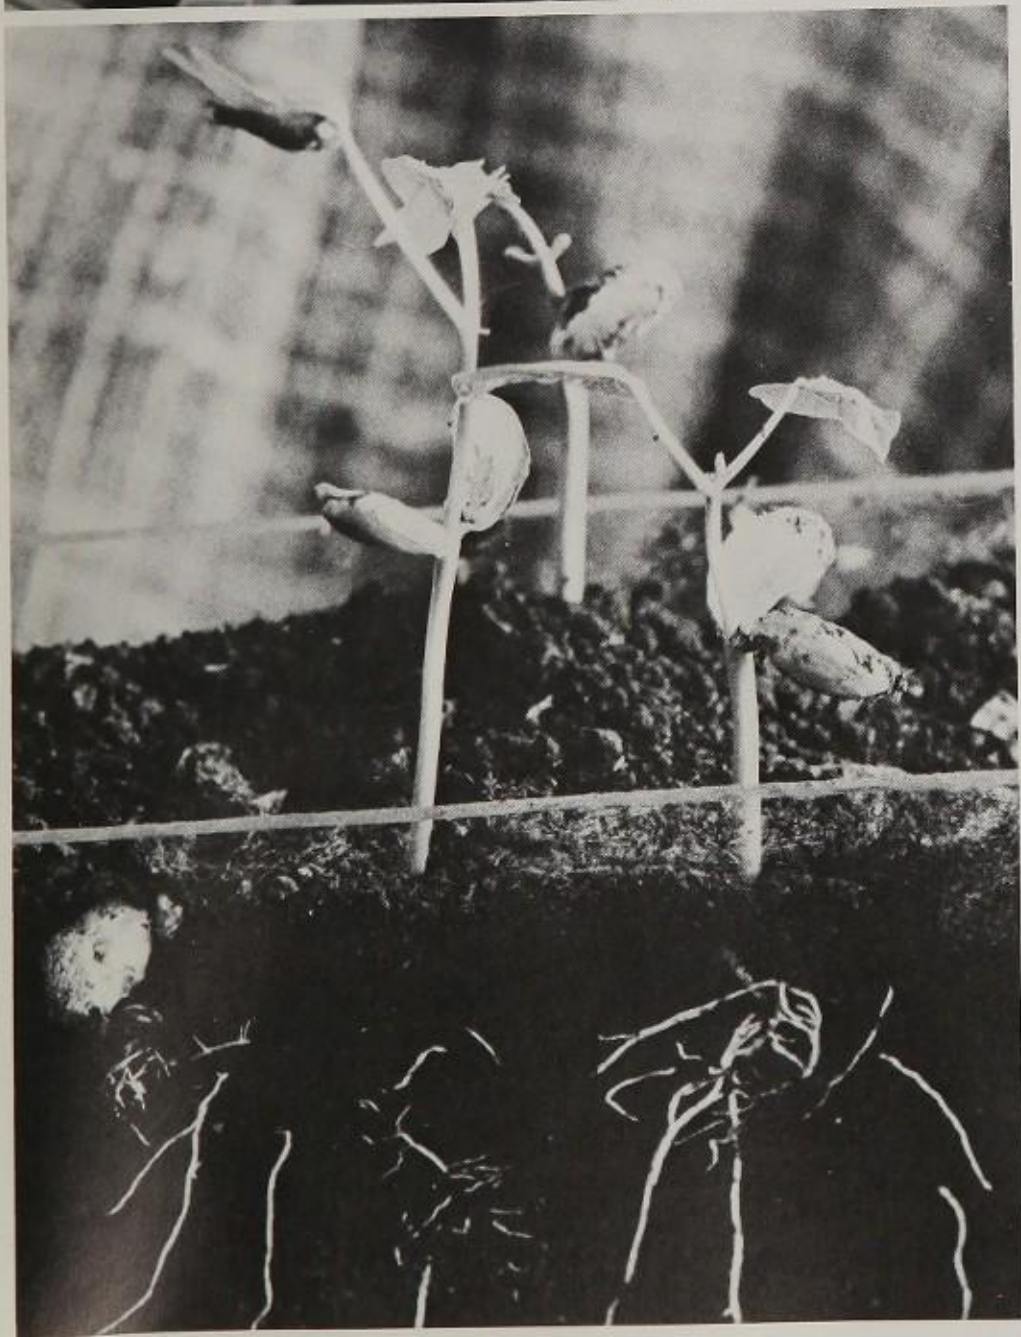

Carillon 74

**and so, knowing and yet
unaware of what is to come,**

**we embark on our journey
to a new world,
to make of it what we want.**

there's a sense of anticipation in the air
near fulfillment — but not quite
it's mirrored in every face
echoed in every smile

what do you want from me?
how can i help you?

we're together — together
and yet we're separate
our lives blend with each other
yet we have our own

good?
bad?
neutral?

our song is over
we must go on to different worlds
we have found what we searched for
that is all

generals nip bellaire,

10-6

the robert e. lee generals made the most of their second chance Friday night, playing turnover-free football to defeat bellaire 10-6 and capture a share of the district 18-4a title.

bellaire, 5-5 and 3-4 took the opening kickoff and walked right through lee's fired up defenders for their only score of the evening. quarterback steve bollman stayed exclusively on the ground during the 15 play, 76 yard drive and took it over himself from the six. the kick was no good following the nearly seven minute march.

in defeating swimming powers such as w. t. white of dallas and lee of midland, the team set the pace for another promising season. the cards are aiming to continue their winning streak in capturing the reg-championship.

lisa pena established all-american times in the 200 yard and 500 yard freestyle events. captain vicki brown and co-captain mona schweppe who were on the state championship team of 1971 will bring them the necessary experience needed to repeat as state champions.

bellaire baseball 73 had an unpredictable year, as they were locked in a tie throughout the entire 73 season. the cards started their defense of district 19-4a by defeating lincoln, 4-2. four games later, bellaire went on to play sharpstown, squeezing by with a 2-1 victory. at this point, bellaire was in a three way tie in district playoffs. westbury dropping out of the three way tie, the cards went into the madison game tied with sharpstown. bellaire and sharpstown had identical 10-2 game records. two games later, the district champ was determined in a sudden-death match. officially, the cards were co-champions with identical records of 12-2. sharpstown defeated bellaire in the match game.

bellaire high school only exists
because of the students —

my only disappointment comes when i
see students who are completely self-
ish and lose sight of the rights and
privileges of others.

a great school is dependent upon a
student body with potential, a capable
and enthusiastic faculty, and suppor-

the american field service is an organization active in more than sixty countries which works to create understanding through living and learning experiences for young people ages sixteen through eighteen. each year we here at bellaire attempt to raise enough money through the annual bond drive to send at least two of our students abroad and to bring two foreign students to bellaire. we also have monthly club activities to assure that our foreign students are enjoying their stay and, of course, for the pleasure and enrichment of club members as well.

the medical careers club was designed to introduce interested students to all fields of medical practice and to expose its members to these fields on a professional level. its aim is to teach each member exactly what to expect of these medical professions as an aid in making their decision concerning a medical career. our activities include field trips to view students at the baylor college of medicine in their various courses of medical study, to view surgery at methodist hospital, and to listen to guest speakers discuss topics of concern in the field of medicine. the club offers students the chance of valuable experience and knowledge and to see if they are honestly interested in a medical career.

to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in pupils of bellaire senior high school, these are the purposes of the bellaire chapter of the national honor society. candidates for membership must have exemplary conduct and a minimum grade average of 3.2. the selection of membership is then based equally on scholarship, character, leadership, and service, and is made by a committee of faculty members.

unique types comprise the staff of bellaire's only newspaper, the three penny press. off and one, two dozen artisans — insomniac editors, reporters, cartoonists, typographers, and reproductionists — give their 3¢ worth every three days. each press day, these individuals are subjected to hostile bellairians charging that the three penny press should cost 3¢ instead of 5¢. for once and for all, here is the tpp's official explanation: we'd have to give 2¢ change from each nickel, and everyone knows that the tpp doesn't make any sense.

back row: david harris, brent sanders, kevin mason, tommy stevenson, jay kaplan — business manager. front row: gregg stephens, kirby b, susan t, red: rusty schwartz, steve grossman, melissa roberts, niki staples, piete ionnidas, gbee — sponsor.
